Experience & References:
Training/Experience related to CRA Citizen Board to which appointment is being sought Employed by the Alachua County Environmental Protection Department 2002 - 2009. Job duties included taking minutes at monthly Land Conservation Board meetings. From this experience I learned the structure and functions of an advisory board and was also well informed of the goals and progress of Alachua County Forever. I was privileged to join the LCB on several field trips to evaluate potential conservation lands throughout Alachua County.

Employed in the field of commercial architecture 2010 - Present
The building industry is fast paced and continually evolving. Over the past five years I have learned about sustainable design and the logistics of commercial design and construction, including cost estimating, permitting, and construction administration. My current job duties as Operations Manager at Walker Architects include marketing, website development and maintenance, IT management, contracting, and construction administration.
