Experience & References:
Training/Experience related to CRA Citizen Board to which appointment is being sought I am a transportation planner and have worked on transit projects throughout the country for the past 15 years. I have also worked on transportation plans as well as transit-oriented development projects. I have lived in Gainesville for 18 years and currently live in Windsor. While I do not live within the corporate limits, I do have a vested interest in how the Eastside develops. I would be very excited to be able to participate on the Citizens Board and share my knowledge and expertise from a transportation perspective.
