Subject: NCC Board notice of member resignation

Hi Linda,

I need to let you know that I have to resign from the NCC effective immediately. The good news is that I finally found a great job after many months of frustrating search. The good/bad news is that my new job is in San Francisco. The more bad news is that my new job starts this coming Monday so I am leaving town on June 29. I interviewed for this job a while ago but it took a while to get things settled and finalized, which happened just this week. And it turns out they want me right away, so I couldn't give my friends and colleagues here in Gainesville much notice or heads up on my departure. I am very sorry for the late notice and for any inconvenience from my hasty resignation and departure to you and the NCC.

It was a pleasure getting to know you and working with you and the wonderful folks on the NCC. Thank you so much for all of your help and assistance with applying to and serving on the NCC. You are a real asset to the NCC and City of Gainesville. Please convey my thanks and appreciation to the other NCC members and City staff as well. I wish all the best for you and the NCC as you continue to do great work to support and protect the fabulous nature parks in Gainesville.

Subject: Re: HRB Confirmation> RESIGNATION

Dear Sue-

Please communicate to our Chair that I respectfully resign from the Human Rights Board, effective immediately.

I am an advocate / activist for homeless people in Gainesville, being a formerly homeless person myself.

While I respect the important job the HRB does in determining if discrimination has occurred in the cases it reviews, it appears to me that issues involving homeless persons rarely, if ever, come before this board. My time would be better spent elsewhere.

I wish you all the best. By the way, I have fought against discrimination, prejudice and intolerance all my life.

Sincerely,

-Bruce

I wanted to find out if you will be able to attend the HRB meeting on tomorrow. There are three confirmed and we need one more for quorum.

Thanks.

Subject: RESIGNATION

Dekova-

I hereby submit my resignation from BPAB, effective at 5pm, September 10. I will attend no future meetings. A Board that 1) spends precious dollars from the City on trinkets for bikers, and 2) allows a non-Board member to hold up a routine vote on its annual budget, after it had been discussed for many months, is not a Board for me.

I wish you well on your future endeavors.

Sincerely, Bruce

Dear Earline,

I regretfully write to notify you of my resignation from the City of Gainesville Beautification Board. The Board performs an important function, and I have enjoyed both my service and the opportunity to work with so many talented and dedicated people. You are a wonderful liaison between the Board and the City, and I feel fortunate to have gotten to know you.

But at this stage of life, we are traveling often and busy with grandchildren, so I need to conserve my time and energy.

I wish the Board luck and look forward to hearing about its activities. It's good that Gainesville is growing in such a way that there are so many handsome projects to recognize and reward.

Best wishes to you and all the members.

Sincerely,

Becky Howard
