- 30 decision of the city manager or designee. The notice of the appeal shall contain the grounds for
- 31 the appeal and shall contain information showing that either the finding is contrary to the law or
- 32 is not supported by competent substantial evidence. The clerk of the commission shall transmit
- 33 copies of the appeal to the city commission along with papers constituting the record upon which
- 34 the action appealed from is based. The filing of a notice of appeal will not delay the effectiveness
