Mr. Russ Blackburn, Executive Director
 Gainesville Community Redevelopment Agency
 300 East University Avenue
 Suite 240
 Gainesville, Florida 32601

Dear Mr. Blackburn:

Thank you for the recent opportunity to meet with officials and staff of the Gainesville Community Redevelopment Agency in order to review the exciting preliminary concepts being considered for the redevelopment of the Northwest Fifth Avenue corridor area. We agree with your assessment that when our now vacant property, formerly known as the Seminary Lane Apartments, is transformed into a new housing development in the future, it will certainly serve as a critical component in the overall revitalization of this area.

To this end, please consider this correspondence to serve as a formal statement of our intention to enter into a partnership with the City of Gainesville and the Gainesville Community Redevelopment Agency, directed toward the cooperative development of this important neighborhood for the benefit of all the citizens of Gainesville.

We look forward to working closely with you in the near future.

Sincerely,

Gail Monahan
