CRA Board Meeting Update – CPUH Strategic Planning

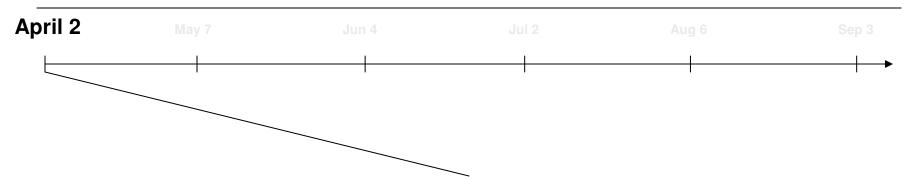

August 18, 2008

Background

- At the April 2, 2008 CPUH meeting, CRA staff and the CPUH Board began a strategic planning process.
- The primary objective of this process is to produce a 3-year strategic plan that addresses the objectives outlined in the CPUH Redevelopment Plan adopted on November 28, 2005 by the City Commission.
- Today's objective is to provide an overview of the CPUH Strategic Planning process and highlight how it might be used in other CRA redevelopment areas

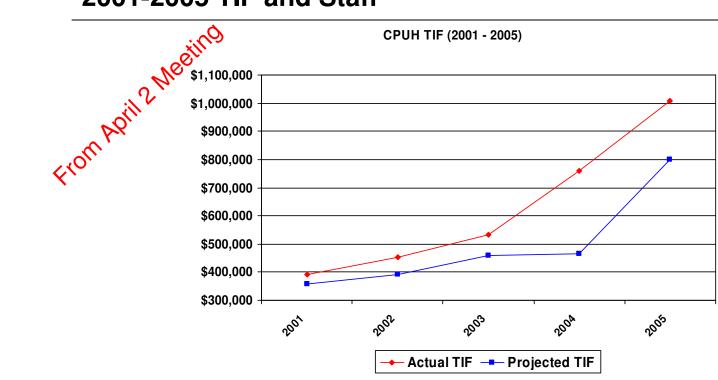

- Provided contextual background by reviewing completed projects from 1995-2005 and discussing changes in CPUH budget and staff during the same timeframe.
- •Reviewed the ten (10) objectives outlined in the 2005 CPUH Redevelopment Plan.
- Concluded that future projects need a greater emphasis on plan objectives and broader reach across entire CPUH area

2001-2005 TIF and Staff

Staff as of late 2005

	Eastside	FAPS	CPUH	Downtown	Total
CRA Manager		Shared	Full-time	(1)	1
Project Coordinators	1	1	1	1	4
Project Coordinator		Shared	Full-time	(1)*	1
Staff Asst		1			
Admin Asst		Shared	Part-time	(.5)	.5

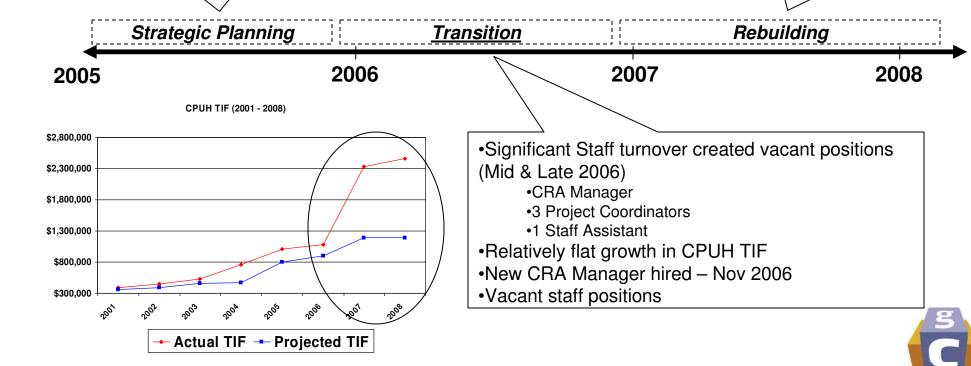

Recent Evolution of CRA and CPUH

- •New Re-development Plan adopted in Nov 2005
- •Re-development efforts focused on primary corridors to campus

From April 2 Meeting

- Sharp growth in CPUH TIF revenues actual TIF significantly higher than originally projected (See chart below)
- Restructured staff positions
- Made changes in staff alignment
- Filled vacant staff position: 1) In-house Engineer
 2) Sr. Management Analyst

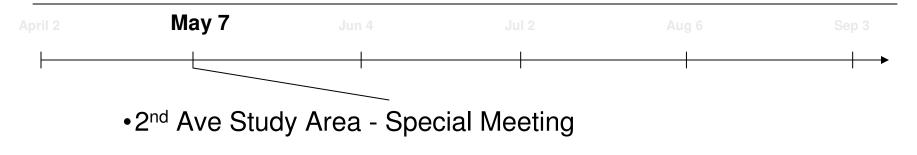

CPUH Redevelopment Plan Objectives

	Objective #	Objective	Sub-Objectives
	1	Infrastructure	Stormwater (dual use with greenspace, low impact development, external solutions) Co-location with public facilities Bond Programs Street Grid/Block Layout
nie0	2 _{ussed} at /	Parking April 2 Meeting Urban Form	Comprehensive Parking Mgt. System Parking Study Fee-structure analysis Partnerships Trip Capture New Parking Systems
ر ا	3	Urban Form	Design incentives Development Review Process Mix of uses (other than student housing) Housing Choice Destination Place Public Spaces Amenities for key corridors Alleyways
	4	Traffic Circulation	Multi-modal improvements Wayfinding signs Neighborhood signs Sidewalks, crosswalks "Complete" Streets UF circulator/trolley
	5	Private Investment	Developer Incentive Programs Façade grant program Linked infrastructure Prioritized infrastructure improvements

CPUH Redevelopment Plan Objectives cont'd

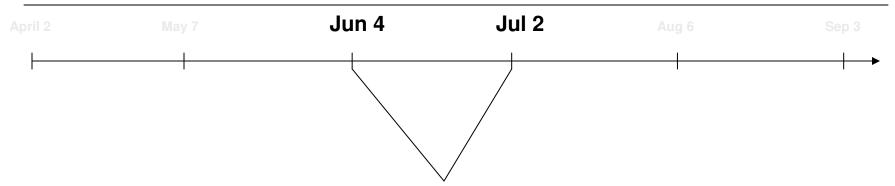

Discussed at April 2 Meeting

Objective #	Objective	Sub-Objectives
6	Land Acquisition and Redevelopment	Assembly and acquisition Condemnation Expansion Area Primary Corridors
7	Create Mixed-Use Technology Hubs	Land Assembly Coordination Incentive programs Support facilities
8	Historic Preservation & Adaptive Reuse	Tax incentives (non-CRA sources) Grants (non-CRA sources) Coordination
9	Public Spaces	Pedestrian/bike trails Open space, active recreation space, public plazas Depot rail trail improvements SW 6th Street corridor
10	Funding, Financing, Management & Promotion	Funding/Financing mechanisms Branding and promotion Potential Main Street program Encourage public/private partnerships Community policing

No Strategic Planning Discussed

- Reviewed segment analysis and approach
- Conducted working sessions

Segment Analysis and Workshop Approach

From June 4 Meeting

- To help facilitate the discussion, the CPUH redevelopment area have to divided into 11 segments
 - Based primarily on main corridors and grouping of neighborhoods and study/expansion areas
- We will discuss each of the segments individually
 - What are the redevelopment priorities for each segment?
 - What projects are already underway?
 - What are some potential projects?
 - Staff has proposed some potential ideas, but we are looking for feedback and additional ideas
 - How do the projects, both current and proposed, align with the objectives outlined in the adopted CPUH Redevelopment Plan?
- There is a map and a handout with an analysis for each segment

CPUH Planning Segments

		d at June 4 Meeting
Segment #	Segment Name Discussed	d at see
1	University Ave (6th Street to 20th T	err)
2	SW 13th Street (SW 16th Ave to Ur	niversity)
3	NW 13th Street (University to NW 7	'th Ave)
4	"University Heights" Neighborhood	
5	SW 2nd Ave Study Area	
6	"NW 3rd Ave" Neighborhood	10 10 10 10 10 10 10 10 10 10 10 10 10 1
7	"College Park" Neighborhood	
8	Expansion Area - Zone 1	
9	Expansion Area - Zone 2	2000
10 — Not Discussed	CPUH-Wide Initiatives	
	•	

Workshop Objectives

June 4 and July 2 Meetings

- Conduct a working/planning session to:
 - Evaluate existing projects and brainstorm potential projects
 - Gather feedback, input, and concerns
 - Understand and document potential roadblocks and challenges to accomplishing redevelopment goals/projects
 - Develop a list of projects that align with the redevelopment priorities and support the objectives outlined in the CPUH Redevelopment Plan

- Provided overview of ranking methodology and analysis
- Reviewed the list of ranked projects, gather additional input, and finalize project list

Project Ranking Methodology

- 1. Inventory all potential projects
 - Output from June 4 and July 2 working sessions
- 2. Determine if/how potential projects align to CPUH Redevelopment Plan Objectives
 - Output from June 4 and July 2 meetings and additional staff analysis
 - Results in un-weighted points for each project (Objective Points)
- 3. Weight Objectives and Segments
 - Objectives reviewed plan objectives and assigned a weighting based on importance to overall redevelopment (Objective Weight)
 - Segments assigned areas that have not received investment twice the weight of areas that have received investment (Segment Weight)
- 4. Add Points for connectivity with other Redevelopment Areas
 - Allowed 10 points if project helped with connecting to initiatives in Downtown or FAPS (Connectivity Points)
- 5. Calculate Total Points for a Project
- 6. Rank projects by Total Points

1. Inventory all Potential Projects

# Corridor/Area .0 Expansion - Zone 1			8.1 8.2 8.3 8.4 8.5	CPUH-I CPUH-I None A	6.01-F	RP-2007 RP-2007 ed ed -SC-9999	Depot Av Depot Av Winn-Dix CPUH St CPUH Pr	t (or Potential) e Rail Trail Improvements - Rail e Rail Trail Improvements - Lighting/Undergrounding ie Site Redevelopment reetscaping - General [S Main St] imary Corridors - South Main Street Acquisitions	Brief Description This is the 1/4 mile section of the Rail Trail that goes from the SW 13th Street overpass to SW 11th Street Upgraded lighting for the 1/4 mile section of the Rail Trail that goes from the SW 13th Street overpass to SW 11th Street Something similar to what happened at Park Royale and Royal Park Lighting upgrades along S Main St Creative median design to better utilize the width of S. Main St and create additional parking for Cade Museum. This could be something similar to I.M. Pei's 1977 median re-design in Augusta, Ga. Acquisition along S. Main Street corridor and
								•	adjacent industrial area.
			8.7					oad Grid Development	
			8.8	None A	Ŭ		·	Acquisition RFP for mixed-use Inventory and Characterization	Collect an inventory of all the businesses in the area. Include items such as payroll and number of employees. Attempt to characterize impacts of relocating businesses.
Corridor/Area University Ave (6th Street to	o 20th Terr)	Corridor / Area Redevelopme - Acquisition and Re-marketing - Attraction of Private Investment - Building Redevelopment (i.e. Tear-d Rebuilds) for Commercial or Mixed-I - Maintaining existing Amenities	lown and	rities I	1.1	CRA Project CPUH-12.02-SC None Assigned None Assigned		Current (or Potential) CPUH Primary Corridors - University Avenue CPUH Primary Corridors - NW 6th Street Central Florida Office Supply Property	Brief Description General upgrades to medians, lighting, curbs, etc. to CRA standards General upgrades to medians, lighting, curbs, etc. to CRA standards Work with various stakeholders to work through issues with owners to assist in structuring a deal. This property is a cornerstone project from the CPUH Redevelopment Plan.
						None Assigned None Assigned		SFCC Partnership NW 6th Street Rail to Trail	Work with SFCC to understand their Master Plan for the area and assist where appropriate. Public Works and CRA staff are collaborating on this project, which involves the design and construction of the 6th Street rail trail from South Main Street to approximately RW 14th Avenue. CRA will participate mainly on the design of the project. It will be important to work with and understand SFCC's plans for this area.
					1.6	None Assigned		NW 6th Street Linear Stormwater Park	This project envisions creating a linear park that will dually function as temporary storage of stormwater. This would be a component of the 6th Street Rail Trail Project.

2. Align Projects to Objectives

3. Weight Objectives & Segments

Weight	Objectives
20%	Infrastructure
5%	Parking
15%	Urban Form
5%	Traffic Circulation
10%	Private Investment
15%	Land Acquisition and Redevelopment
2.5%	Create Mixed-Use Technology Hubs
2.5%	Historic Preservation & Adaptive Reuse
15%	Public Spaces
10%	Funding, Financing, Management & Promotion

Weight	Segment Name
1	University Ave (6th Street to 20th Terr)
2	SW 13th Street (SW 16th Ave to University)
2	NW 13th Street (University to NW 7th Ave)
1	"University Heights" Neighborhood
1	SW 2nd Ave Study Area
2	"NW 3rd Ave" Neighborhood
2	"College Park" Neighborhood
2	Expansion Area - Zone 1
2	Expansion Area - Zone 2

4. Add Points for Connectivity with Other CRA Areas

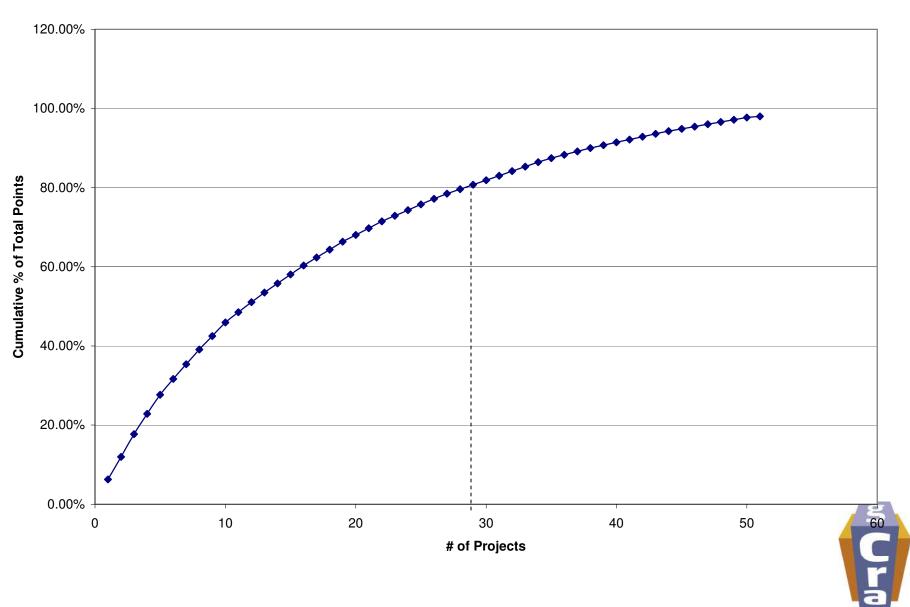

- If a potential project allowed for an opportunity to create synergy with other projects in CRA areas, then project received an additional 10 points
- For example, South Main St improvements connects with Depot Park redevelopment and Cade Museum
