RECOMMENDATION

As part of its strategic plan, the Gainesville City Commission has prioritized health care access and equity. With no free-standing clinics (other than the Alachua County Health Department), urgent care centers or emergency rooms in District 1, it is the desire of the Health Equity and Access Advisory Group that the commission focus its attention first on east Gainesville by utilizing the findings of the Health Equity and Access survey to develop the most appropriate next steps and what role the city can play moving forward. With active involvement from the community, service providers and partners, the city is well-positioned to improve health care services and outcomes for the nearly 35,000 residents living in District 1.

A motion was made by Commissioner Simmons, seconded by Mayor-Commissioner Pro Tem Arreola, that this Matter be Approved, as shown above. The motion carried by the following vote:

Aye: 7 - Commissioner Johnson, Commissioner Simmons, Mayor Poe, Commissioner Hayes-Santos, Commissioner Saco, Mayor-Commissioner Pro Tem Arreola, and Commissioner Ward
