Subject: Resignation

Madam Chair;

Due to unfortunate personal and private circumstances I find myself in a position which prevents me from fulfilling my obligations as a seated member of the RTS-CAB. Please accept this letter as my resignation from your board. I would not want to be a member in name only and prevent someone else an opportunity to participate and be of valuable service

Being a member of the board has been an experience of which I enjoyed and I hope that I have contributed to in some small way. It has been a pleasure to have served and worked with you all. Best of luck in all future endeavors.

Sincerely
Philip W. Michel
