Donation of Parcel 11340

Dear Mr. Bowers:

This is to advise you that my client, W. Thomas Hawkins, as President of White Electric and Battery Service, Inc., will recommend that the Company donate Parcel 11340, Alachua County, Florida, to the City of Gainesville for the development of a technology business incubator. The donation is contingent upon the City of Gainesville receiving grant funds from the U.S. Economic Development Administration for construction of the facility.

Thank you, and if you need anything further from me, please advise.

Sincerely,

William B. Watson, III
