EMINENT DOMAIN

Under no circumstances shall the performance, breach, expiration or termination of this Agreement, or the condemnation of any portion of the Department Property encompassing the Improvement, create any interest or right entitling the City to full and just compensation from the Department either through inverse condemnation, eminent domain laws or any similar laws regarding the taking of property for public purposes. The City forever waives and relinquishes all legal rights and monetary claims which it has, or which may arise in the future, for compensation and/or damages, including, without limitation, special damages, severance damages, removal costs, and loss of business profits resulting in any manner from: (1) the performance, breach, expiration or termination of this Agreement; or (2) condemnation of any portion of the Department Property encompassing the Improvement.
