Dear Mayor and Members of the City Commission:

Please accept this as my letter of resignation from the Citizens Advisory Committee for Community Development. Unfortunately, other obligations have begun to monopolize my time, including a hectic work travel schedule, that I believe will prevent me from attending the number of meetings required to make me an effective member of the committee.

I have decided to clear my schedule of a number of items, but the decision to resign from CACCD was the toughest. I am thankful for the learning experience this board offers, and the reward in our efforts. I have great respect for this group, and wish you continued success in your allocation process. It is a tough job, and not getting any easier.

I apologize for my resignation in the middle of my term, but feel it is the right thing to do at this time. Thank you for this opportunity to serve the City of Gainesville.

Kindest Regards,

Kelley Frohlich
