D.Henrichs
City of Gainesville

Dear D.Henrichs:

Effective immediately, I will no longer be able to serve on the City of Gainesville Historic Board. I have enjoyed my time on the board and if in the future I can help with the board, I will reach out to you.

Please let all the other board members know that I have enjoyed getting to know them and wish you all the best.

Sincerely,

A handwritten signature in black ink, appearing to read 'Wells The Losen', with a long horizontal flourish extending to the right.
