SUBJECT: Transfer of Front Loading Containers

Thank you for sending the list of containers that you are contemplating transferring to Keep Alachua County Beautiful. If the City no longer has a use for these containers, I do not see any reason why they cannot be transferred since they will continue to be used by a non-profit organization. If any consideration is realized from this transfer, it should be deposited in the City's recycling account. Please be sure that your inventory listing reflects where the containers were transferred in the event of an audit.

If you have any additional questions, please call me at 850-921-9964.

Dear Gina:

Keep Alachua County Beautiful will be delighted to receive as a donation recycling containers from the City of Gainesville. We understand that the donation consists of 4 and 6 yard front-loading recycling containers.

Our organization pledges to continue to make these containers available to businesses for recycling purposes. As always, it is a pleasure to work with you and your department in improving the quality of life in Alachua County.

Sincerely,

Jeanne M. Rochford
