Good Morning Ms. Onelia,

I have finished and discussed my review of the City's potential Evaluation and Appraisal notification letter with Ana and we have no questions for you to address. Good Job!

Also, as the City amends the Transportation and Concurency Management, and Public Schools Facilities Elements, we want to remind the City that: 1) if transportation concurency is eliminated, the adopted level of service standards for roads must still be retained for capital improvement planning, and 2) there is no longer a requirement for a Public Schools Facilities Element.
