CITY OF GAINESVILLE, GENERAL GOVERNMENT METHOD OF SOURCE SELECTION

DATE: 10/3/2011

WAIVED SITUATIONS:

ONLY APPROVED: Purchasing Policy #060732, Section 6.3(o) – Only one source meets the stated requirements of a specification based on a thorough qualitative and/or quantitative evaluation.

REQUISITIONER/REQUESTER shall provide a detailed description and justification in writing with supporting documentation as to why the vendor/contractor is the ONLY APPROVED SOURCE to provide the commodity/service. Attach all supporting documentation to the Method of Source Selection form for review and approval or rejection by the applicable listed City approving authorities.

SOLE SOURCE: Purchasing Policy #060732, Section 6.3(r) – The only source through which materials or services may be purchased.

REQUISITIONER/REQUESTER shall provide a detailed description and justification in writing with supporting documentation as to why the vendor/contractor is the SOLE SOURCE to provide the commodity/service. Attach all supporting documentation to the Method of Source Selection form for review and approval or rejection by the applicable listed City approving authorities.

SPECIFIED SOURCE: Purchasing Policy #060732, Section 6.3(s) – A source selected without competitive bidding for justifiable reasons.

REQUISITIONER/REQUESTER shall provide a detailed description and justification in writing with supporting documentation as to why the vendor/contractor is the SPECIFIED SOURCE to provide the commodity/service. Attach all supporting documentation to the Method of Source Selection form for review and approval or rejection by the applicable listed City approving authorities.

The REQUISITIONER/REQUESTER hereby attests (certify under oath) that he/she took part in the procurement represented and that he/she is independent of, and have no conflict of interest in, the entity evaluated and selected. He/she recommends that competitive bidding be waived and that the material or service be purchased from the vendor indicated based on the existence of a non-competitive situation as described and attached in detail hereto.

INTERNATIONAL[®]

17800 N. 85th St. * Scottsdale, Arizona * 85255 * 1-480-991-0797 * Fax 1-480-991-0791 * www.taser.com

01/07/09

Attention: Gainesville Police Department

This letter is to confirm TASER[™] International, Inc. is the sole source manufacturer of the less-lethal electro muscular disruption, electronic control devices (EMD/ECD) TASER X26 Model 26000, 26001, 26005, 26011, 26012, 26013, 26014, 26015, 26016, 26017, 26018, 26019, 26020, 26021, 26022, 26023, 26024, 26025, 26026, 26027, and 26028.

TASER international is also the sole source manufacturer of the patented less-lethal Electro Muscular Disruption (EMD/ECD) TASER Brand M26, Model 44000 and 44005.

TASER International is also the sole source manufacturer of the patented, 15-foot Air Cartridges, Model 34200, and the patented, 21-foot, 25-foot, and 35-foot Air Cartridges, Model 44200, 44203, 44205, and 44206. The Air Cartridges are required for the unit to function in the remote TASER mode.

These are some of the unique features the ADVANCED TASERS M26 and X26 have that are not found with other Electronic Control Devices:

The ADVANCED TASER M26 and X26 are the only less-lethal ECD weapons systems that can stop an aggressive, focused, combat trained attacker.

The ADVANCED TASER M26 and X26 are the only less-lethal ECD weapons systems that are compatible with the X-rail, a universal mount that will mount to anything with a Picatinny rail and utilizes a quick release mechanism to allow the user to carry either less lethal below their lethal weapon.

The ADVANCED TASER M26 and X26 directly stimulate motor nerve and muscle tissue, causing incapacitation regardless of mental focus, training, size, or drug induced dementia.

The ADVANCED TASER M26 comes with an on-board memory chip to download 585 past firings based on the time and date the unit was fired.

The TASER X26 comes with an on-board memory chip to download 2,000 past firings based on the time and date the unit was fired to protect officers from unfounded charges of misuse of force.

The ADVANCED TASER M26 and X26 have over 94.9% field effectiveness rating.

The ADVANCED TASER M26 and X26 use the same hand motions and muscle memory as standard 9 mm semi-automatic pistols, drastically reducing the amount of time required to train. User training and instructor training materials are all on CDrom for ease of reproduction for training.

The X26 uses proprietary Shaped Pulse[™] EMD Technology with high performance, highly efficient, incapacitation effect that's 5% greater than the ADVANCED TASER M26, and is 60% smaller, 60% lighter, and consumes 1/5th the power of the M26.

The X26 has an optional upgrade system, the TASER-Cam which records over an hour of MPEG4 video and audio data to provide another layer of accountability to corroborate officers use reports.

Propulsion System for all air cartridges is compressed nitrogen (1800 to 2500 lbs/in²).

The BATF has classified the ADVANCED TASER M26 and X26 as Non-Firearm.

The Sole Authorized Police Distributor for Florida is:

DGG Taser Inc.
8725 Youngerman Court, Suite 305
Jacksonville, FL 32244
