Dear Jim, *JIM*

This letter is to explain my absence at all and subsequent meetings. I am in receipt of a post card which states that inasmuch as I have served two consecutive terms, I am ineligible to apply again at this time.

My attendance and input would serve no worthwhile purpose. I only have slightly more than a month left.

It has been a challenging and worthwhile experience. Thanks for all of your help over these last eight or nine years.

Yours truly,

Jefferson W. Jones, Jr.
