Referred Date	Referral Number	Referral	Due Date	Status
5/28/14	140027	Police Dogs	11/15/14	This referral will be scheduled for an upcoming Committee meeting. <b>In Committee.</b>
3/6/14	No Number Assigned	Alternatives to Traffic Calming Devices	9/6/14	Relates to Vehicles Speeding In Neighborhoods (120349). No number has been assigned at this time. <b>In Committee.</b>
12/19/13	130679	E-Cig and Clean Air	6/19/14	Discussed at 2/26/14 PSC Meeting. On 4/3/14 City Commission approved for City Attorney to draft an ordinance similar to Alachua County's regulating e-cigarettes, adding language to prohibit the possession of e-cigarettes by minors. The City Attorney's Office also monitored state legislation. The state legislation that was passed only regulates the sale to and possession of e-cigarettes by minors. It does not regulate where e-cigarettes can be used. Therefore, the City Attorney's Office is in the process of putting together an ordinance which will prohibit the use of e-cigarettes in any place that regular cigarettes are prohibited to be used under state law. <b>Remove From Referral List.</b>
4/3/14	130769	Synthetic Drug Ordinance Proposal		A presentation was given by Attorney Shannon MacGillis from the High Intensity Drug Trafficking Area Office In Jacksonville at 5/7/14 meeting. An updated draft will be provided when complete. This item is scheduled for discussion at the Committee's meeting on July 28, 2014. <b>In Committee.</b>

11/7/13	130520	Child & Youth Programs Crime Prevention	05/07/14	GPD and Parks staff is requested to work to find funding to expand the HeatWave and other youth programs as a means to deter youth crime. On 5/7/14 staff updated the Committee on an on-line fundraising campaign effort. The goal of \$20,000 was reached with the help of the Alachua County School Board. <b>Remove From Referral List.</b>
11/7/13	130521	Noise Permits In Residential Properties	05/07/14	This referral ties in to proposed Noise Ordinance updates. At 2/26/14 Committee meeting it was voted to keep this item in Committee pending updates from staff as appropriate. <b>In Committee</b>
10/18/12	120508	Creating Buffer Zones Around Medical Clinics	4/18/13	GPD staff has performed a safety analysis of the Bread and Roses property and made recommendations to their director. There have been no further complaints on this issue since the GPD analysis. GPD continues to monitor the property. <b>Remove From Referral List.</b>
10/22/12	120510	Speeding On NW 31 <sup>st</sup> Drive	4/18/13	This item ties in with Item 120349 regarding Vehicles Speeding in Neighborhoods. At 10/23/13 meeting, the Committee voted to recommend to the Commission: 1) considering the safety options of adding a sidewalk and curb, installing crosswalks, and rumble strips; and 2) consider funding options for these projects. The City Commission discussed at the 3/6/14 meeting and ultimately approved a project list for the transportation surtax that is expected to fund this project

				should voters approve the surtax. <b>Remove from Referral List.</b>
9/6/12	120349	Vehicles Speeding in Neighborhoods	3/6/13	The Committee voted to send this item to the Commission recommending modification of the current moratorium to allow the installation of traffic cushions, which have the least negative impact on emergency vehicles; and to consider funding for the Traffic Calming Program. At the 3/6/14 Commission meeting, the Commission created a new referral "Alternatives to Traffic Calming". <b>Remove from Referral List.</b>
10/6/11	110382	Outdoor Concerts	4/6/12	At 12/12/13 PSC meeting it was decided that staff will hold a workshop with the GDOT group and Pleasant Street neighborhood to discuss the proposed changes to the City Noise Ordinance. At the 5/7/14 meeting the Committee voted to send the item to the City Commission to direct the City Attorney's Office to proceed with making the recommended changes and bring the updated ordinance to the Commission when complete. <b>Remove From Referral List.</b>
2/2/12	110683	Alcohol Sales and Consumption Outdoors Downtown	8/2/12	At 12/5/13 City Commission meeting staff made a presentation and requested the Commissioners provide City staff with direction on any concerns or proposed changes to the draft ordinance and to direct the City Attorney to prepare and the Clerk of the Commission to advertise revisions to the City's alcohol ordinance. First reading of the

				ordinance was on 2/20/14 and adoption reading was 3/6/14. <b>Remove From Referral List.</b>
4/4/13	121072	Speeding on University Avenue Between 13th Street and Football Stadium	10/4/13	GPD staff will work with UF staff on an educational campaign on the enforcement of traffic laws. Statistics for 2013 show that the number of citations has reduced since 2010 for these higher traffic areas, in part due to the efforts made possible by grants. The Committee voted to keep this item in Committee for future updates. <b>In Committee.</b>
7/18/13	130168	Gun Safety Classes	1/18/14	At 12/12/13 meeting the Committee requested staff continue to explore the liability issue of this course and come back to the Committee with a complete course curriculum and information on liability. This item is scheduled for the July 28, 2014 Committee meeting for final consideration. <b>In Committee.</b>
11/7/13	130489	Initiative 1.3 Develop a Public Facilities Master Plan		<b>Ongoing.</b>
11/7/13	130499	Initiative 3.6 Address need for violence prevention and mental health service		GPD Staff gave update at the 2/26/14 Committee Meeting. <b>Ongoing.</b>

## City Commission Referrals to the City Manager

Referred Date	Referral Number	Referral	Due Date	Status
8/2/12	120256	City Assistance with Porta-Potties During Special Events (NB)	9/2/12	<p><b>August 2014 Update</b> – There is little public space available for porta-potties in this area unless a portion of a City street was to be blocked off. Porta-potties would need to be dropped off and picked-up on the same day to re-open the road and avoid vandalism. No funding is budgeted for this purpose. For 10 porta-potties the estimated cost is at least \$1,000 per game or \$7,000 per season and would need to be monitored by City staff which would be an additional cost. Initiating this service would add extra work for City staff on football game days when City resources are already stretched. City staff does not recommend that the City initiate this service. City staff recommends that we continue to monitor complaints and look for opportunities to address needs.</p> <p><b>Recommend removal from referral list.</b></p> <p><b>October 2013 Update</b> – City staff discussed overall reimbursement to the City for football game day activities with the University Athletic Association (UAA) along with any assistance the UAA might be able to provide with porta-potties in the College Park neighborhood. The UAA determined that they did not want to fund porta-potties beyond what they currently provide on campus but the UAA did agree to increase their reimbursement to the City for services provided for football games days by \$5,000 per year over three years. This includes clean-up activities and Code Enforcement was added as an eligible expense. The reimbursement will increase from \$12,000 in FY13 to \$17,000 in FY 14, \$22,000 in FY 15 and \$27,000 in FY16 at which point it is projected that the UAA will be fully offsetting the cost of these City services. Some of the larger providers of yard parking provide porta-potties. City staff has reviewed the area and there is little public space available in that neighborhood for porta-potties. If there is interest in locating porta-potties for the 2014 football season, the best option may be to block off a section of a City street in College Park that has minimal impact on traffic.</p> <p><b>January 2013</b> – City staff discussed the issue of porta-potties with the University Athletic Association (UAA) at the start of the fall 2012 football season. The UAA rents a number of large porta-potties which are placed outdoors at locations around the stadium. Staff inquired if the UAA</p>

				would consider adding another location on the north side of University Avenue. The UAA replied that they didn't have funding to help this year but they appeared open to discussing for future years. City staff explored potential locations and didn't find an ideal location. If there is an interest in locating porta-potties for the 2013 football season, the best option may be to block off a section of a City street in College Park that has minimal impact on traffic.
1/19/12	110657	Downtown Business Lighting referral	7/19/12	<p><b>August 2014 Update</b> – The Main Street Lighting project has been completed. LED pedestrian and streetlights were installed. LED pedestrian lights were also installed along south 3<sup>rd</sup> street. Both projects have dramatically improved lighting along those corridors. Funding is proposed within the CIP to address lighting in the downtown area including the continued conversion of pedestrian level lighting to LED.</p> <p><b>Recommend removal from referral list</b></p> <p><b>October 2013 Update</b> – the Main Street Lighting Contractor will be converting the lighting along S 1 Avenue to LED lighting from the Parking Garage to the Plaza.</p> <p><b>January 2013</b> - The related item was heard by the Commission and the off-street parking lighting section of the Code (as well as related sections) was adopted by the City Commission on 12-20-12. Public Works has trimmed all the trees in the downtown area to improve existing lighting. Staff is working on a plan to upgrade downtown lighting. Funding has been identified to refurbish pedestrian level light poles and convert to LED lighting along 2<sup>nd</sup> Avenue from SE 3<sup>rd</sup> Street to SW 2<sup>nd</sup> Street. This is GDOT's top priority corridor for improved lighting leading from the Downtown Plaza to the City parking garage. Staff will look for other funding opportunities through the budget process to continue making improvements to downtown lighting.</p> <p><b>June 2012</b> - This item has been referred to the Community Development Committee. A related item regarding off-street parking lighting is coming to the City Commission on June 7, 2012.</p> <p><b>June 2012</b> - PRCA is working with Gainesville Downtown Owners &amp; Tenants, Public Works Department and</p>

				<p>Recreation Center with residents and interested parties on May 30, 2013. The purpose of the meeting was to outline the process for beginning the off-site remediation work.</p> <p>The Florida Department of Health (FDOH) and the Alachua County Health Department (ACHD) hosted an open house to discuss the draft Koppers Indoor Dust Study Report on June 10, 2013. The FDOH solicited public comments on the draft Indoor Dust Study Report. Public comments were due to the FDOH on June 24, 2013. Based upon public comments, FDOH will make the necessary changes and ATSDOR will publish the report.</p> <p>The Consent Decree was approved by the Federal Court on July 9, 2013, and off-site preparation work has begun. It is anticipated that off-site remediation work can begin by December, 2013 or January, 2014.</p> <p>Rusty Kestle has been appointed the US EPA Acting Remedial Manager for the Cabot/Koppers Superfund Site beginning June 3, 2013, through December 1, 2013.</p> <p>On September 5, 2013 Beazer East, Inc. made a presentation on the overview of clean-up plan for Cabot-Koppers Superfund site. The City Commission directed staff to increase the staff liaison commitment to the coordination effort by authorizing up to a full time position starting immediately until the off-site remediation is complete.</p> <p>The LIT continues to hold monthly meeting and telephone conference calls with USEPA, Beazer East, Inc., FDEP and Cabot Corporation, Inc. on the status of the remediation plan for the superfund site.</p> <p><b>January 2013</b> - The City continued to participate as a member of the LIT in providing technical assistance and comments on the progress of the remediation plan for the Cabot-Koppers Superfund Site. The Consent Decree has not been issued and the US EPA and Beazer East, Inc. are still negotiating the decree. The City of Gainesville developed a Cabot-Koppers webpage as part of the City Commission Initiative to provide more information to the public on the status of the Superfund Site. In May 2012, the US EPA conducted indoor dust sampling from 30 homes in selected areas of Gainesville. The intent of the indoor dust sampling was to investigate the issue of potential dust contamination in homes near Superfund site. Test results and the final report have not been released to the public or the LIT. Kestrel Ecological Services of Gainesville, a contractor for Beazer East, Inc., conducted a preliminary tree survey in part of the Stephen Foster Community as part of the offsite remediation</p>

preparations. The City of Gainesville hired Temporary Project Manager, Amy Schafer to help develop a landscaping plan for the Stephen Foster Neighborhood and other off site areas. In addition, Ms. Schafer will be coordinating and communicating with the other community partners on additional services that the City can offer to the community as part of a general overall redevelopment approach near the Koppers Site. FDOH released the Final Cancer Review Study for the years 1981-2008 for Stephen Foster Neighborhood near the Superfund Site. Cabot Corporation conducted a soil gas investigation at the Northside Shopping Center located at the corner of NW 23rd Avenue and Main Street. The Soil Gas investigation was done at the request of US EPA as part of its on-going monitoring of the site. Cabot is processing the data and preparing a report. Additional soil sampling is being requested by the City of Gainesville for its Material Storage Yard after three previous soil samples were above the commercial level for the site. The soil sampling was conducted in October, 2012. A plan was developed for a demonstration study using a chemical injection technology known as ISGS to immobilize creosote in the Former Process Area (one of four contaminant source areas at the Koppers Site). The City and its consultant team and the LIT participated in development of the plan and in developing metrics for assessing the success of the treatment. As part of the plan, detailed testing was performed to develop a 3-dimensional map of the creosote deposits in the process area. GRU and ACEPD continue working with Beazer and EPA to finalize the work plan. The chemical treatment and performance assessment are expected to begin in early 2013.

**June 2012** - The Consent Decree is still being negotiated between the USEPA and Beazer East, Inc.

The LIT is working with the PGC Technical Advisor, Dr. Pat Cline, and the EPA to implement an Indoor Dust Study for homes impacted by the source area. In addition, the Indoor Dust Study area will include homes not directly impacted by the source area for background information and comparable data for the study. The LIT is still looking for at least fifteen (15) property owners not in the source area to participate in the study. Twenty four (24) property owners directly impacted by the source area have agreed to participate in the Indoor Dust Study.

The Gainesville City Commission authorized staff to coordinate and develop landscaping guidelines and a redevelopment plan for the Stephen Foster Neighborhood. City staff will work with community and neighborhood representatives including local landscaping experts to develop and provide recommended guidelines

City and County Staff expressed their concerns about the Community Outreach Plan. The Vapor Assessment Plan is still under review by all parties.</p> <p>Beazer East, Inc. published a revised ISGS demonstration study work plan, in response to comments to the previously proposed work plan. It is anticipated that in summer 2012, additional testing will be performed in the former process area of the Koppers site to further define the location and extent of contamination in that area. Discussions on how the ISGS test will be evaluated are on-going.</p> <p>The City and County staff continue to provide feedback and monitor the Cabot/Koppers site.</p> <p><b>June 2011</b> - On February 2, 2011 the EPA released the Final Cleanup Plan Approved for Cabot Carbon/Koppers Superfund Site. On February 17, 2011, the City Commission received a presentation from the LIT on the Plan.</p> <p>On March 7, 2011 the Mayor sent a letter to the EPA expressing the City's concerns with the plan and requesting that the EPA move forward with the clean-up as expeditiously as possible to assist the citizens of Gainesville.</p> <p>The LIT continues to meet on a monthly basis and provide updates to the City Commission as they become available. A formal update to the City Commission is expected within the next few months.</p> <p>On July 15, 2010, the US Environmental Protection Agency (EPA) released the Proposed Plan for the Cabot-Koppers Superfund Site. The public comment period is July 15, 2010 to August 15, 2010. EPA has scheduled a Public Meeting for August 5, 2010 at Stephen Foster Elementary School from 6:00 pm to 8:00 pm.</p> <p>On July 22, 2010, the City Commission authorized staff to submit a letter to the EPA requesting a 60-day extension to the public comment period in order to allow sufficient time to engage the public, City and County Commission comments on the Proposed Plan.</p>
