CONCERN FOR
SAFETY OF OFFICERS AND SAFETY.

Devonia,

Can you please pass this email to John Barrow as soon as you can, he is expecting it.

The ^{ISSUES} Topics which have caused concern~~ed~~ from the Officers on the street are as follows;

- 1. Communications center failure ^{to} notify the officers when deputies are ~~also~~ dispatched. in addition to GPD.
- 2. Dispatching deputies to calls in the city when GPD is available.
- 3. Not notifying GPD of priority calls in the area
- 4. Dispatch not giving enough details to the officers
- 5. Renaming of the communication center as the Sheriff Communication Center when it was agreed to call it the Combined Communication Center.

Sorry for the spelling, Try to get to Commissioner Barrow before the Sheriff speaks.

Thanks,

Jeff
