CRIME WATCH NOTICE

DO NOT CROSS POLICE LINE DO NOT CROSS POLICE LINE DO NOT

This is a Fraternal Order of Police Courtesy Crime Notification.

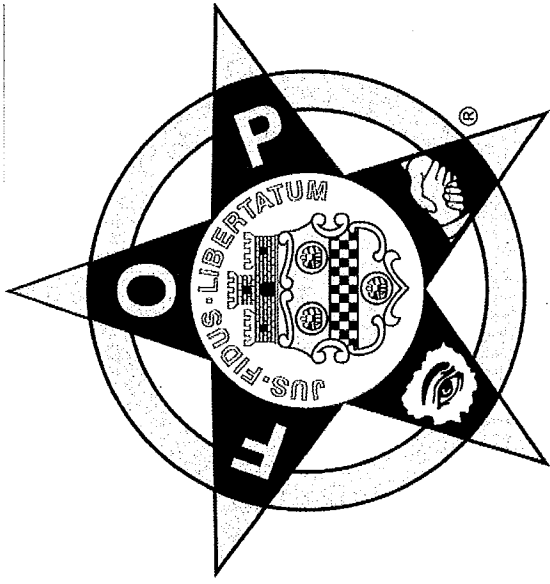

The Gainesville City Commission's priority on public safety is at an all time low and as a result our community is seeing an increase in crime.

A disturbing review of city records indicates there were inadequate or no police officers assigned to your neighborhood during a recently committed crime.

Gator Lodge 67, Fraternal Order Police, urges you to take action now in demanding the Gainesville City Commission provide our community with the proper level of police protection.

Call Mayor Pegeen Hanrahan and the City Commission and demand they provide you with the proper level of police protection.

Your life could depend on it!
