MEMBER COMMENT

Commissioner Hinson-Rawls asked about using money out of the Code Enforcement fund that normally gets transferred into the General Government Fund for the pending Historical Structure item. She recently met with the City Auditor Brent Godshalk who told her that there is approximately \$700,000 in the Code Enforcement Fund. The Committee may be asked to attend the next meeting. Mr. Murry informed the Commissioner that he is working on a pilot program to be brought back before the Committee very soon. Chair Hawkins stated that they may need to ask Mr. Godshalk to attend the next CDC meeting. Commissioner Hinson-Rawls also asked for an update on the Magistrate item, and Mr. Murry informed her that the City Attorney's office is working on updating the ordinance.
