SUBJECT: Ordinance No. 0-00-38

An Ordinance of the City of Gainesville, Florida, annexing a portion of the City of Gainesville Reserve Area Pursuant to Chapter 90-496, as amended, by Special Acts, Laws of Florida, known as the Alachua County Boundary Adjustment Act; making certain findings; including within the corporate limits of the City of Gainesville, Florida, that certain compact and contiguous area generally bounded on the north by the Gainesville city limits, on the east by SW 21st Street and SW 20th Street, on the west by the Gainesville city limits, and on the south by Williston Road; providing for inclusion of the area in Appendix I of the City Charter; providing for land use and zoning regulations; providing directions to the City Manager and Clerk of the Commission; providing a severability clause; and providing an immediate effective date.

Recommendation: The City Commission adopt the proposed ordinance.

The adoption of an annexation ordinance is the final stage in the annexation process under the provisions of the Alachua County Boundary Adjustment Act. On Monday, December 13, 1999, at a regular city commission meeting, the City Commission received and accepted the petition for voluntary annexation, and determined that the petition bore the signature of the owner of the property that is the subject of this annexation. On January 10, 2000 and January 24, 2000, the City Commission held advertised public hearings and adopted the Urban Services Report as mandated by the Boundary Adjustment Act.

ANNEXATION ORDINANCE

The annexation ordinance proposes to annex a contiguous, compact, unincorporated portion of the reserve area. The Boundary Adjustment Act requires the ordinance to be adopted as a nonemergency ordinance and to include one reasonably compact area.

In the Ordinance the City Commission makes certain findings of fact related to the area proposed for annexation. The area must meet certain standards as required by the Boundary Adjustment Act. In this regard, your attention is drawn to Section 1 of this Ordinance and the presentation by the City Manager.

The Alachua County land use plan and zoning or subdivision regulations will remain in effect until the City adopts a comprehensive plan amendment that includes the annexed area, and rezones the property to a city zoning category. During the interim period, the City may rezone the property in the annexed area to an Alachua County Zoning classification/category that conforms with the Alachua County Comprehensive Plan in accordance with Chapter 163, F.S.
