Dear Mr. Saunders,

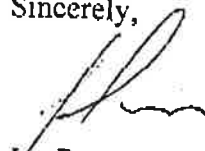

I own Units E-1 and E-2 at Foxbridge III, 2631 N.W. 41 Street here in Gainesville and I received a notification of the hearing on the above referenced petition.

I would like it known for the record that I am not in favor of the petition as it stands, I see no reason why we should include this type of business in our district. I also can't imagine that a T-shirt business would choose to pay the higher lease rates in this area.

I find it curious that this has come up as an item when there is no one even requesting it.

I will not be able to attend the meeting this Thursday and I am therefore writing to voice my position. Please feel free to give me a call at 338-2073 if I am missing something regarding this matter.

Sincerely,

Joe Burns

Dear Mr. Saunders,

I own Unit E-6 at Foxbridge III, 2631 NW 41 Street in Gainesville and I received a notification of the hearing on the above referenced petition.

I am opposed to the petition because it represents an incongruity to the professional office "climate" which has historically made this area appealing and of interest.

I will not be able to attend the meeting this Thursday. Please know that as an office owner in Foxbridge III for the past 12 years, I am strongly opposed to this petition.

Please feel free to contact me, 378-2147 should you need additional information or feedback.

Thank you in advance for considering my position.

Sincerely,

Carolyn Fouts
