“Contiguous” means that a substantial part of a boundary of the territory sought to be annexed by a municipality is coterminous with a part of the boundary of the municipality. The separation of the territory sought to be annexed from the annexing municipality by a publicly owned county park; a right-of-way for a highway, road, railroad, canal, or utility; or a body of water, watercourse, or other minor geographical division of a similar nature, running parallel with and between the territory sought to be annexed and the annexing municipality, shall not prevent annexation under this act, provided the presence of such a division does not, as a practical matter, prevent the territory sought to be annexed and the annexing municipality from becoming a unified whole with respect to municipal services or prevent their inhabitants from fully associating and trading with each other, socially and economically. However, nothing herein shall be construed to allow local rights-of-way, utility easements, railroad rights-of-way or like entities to be annexed in a corridor fashion to gain contiguity.
