Dear Mayor and City Commissioners,

Unfortunately, June 21, 2000, was my last City Beautification Board (CBB) meeting. My wife and I are leaving this wonderful city soon and moving to historic Mount Dora, Florida. I have enjoyed serving on the CBB and now fully realize the importance and positive impact the current City Commission and CBB have on Gainesville. Thank you for giving me the opportunity to serve on the CBB, a board which benefits Gainesville and improves our quality of life.

Sincerely,

Derek A. Schroth
