TO: The Mayor and Members of the City Commission

It is with heavy heart that I must resign because family and time have collided, requiring that I spend more of the latter on the former. I did really, really enjoy my brief time, however, and hope that at some point in the future I might participate again in some capacity, as a member or concerned citizen. Thanks to you and to everyone on the advisory board for being such great people and doing such a fine thing for the community!

Best,
