**Subject:** Re: CBB Agenda - May 4

Hi Liliana,

I have taken on a role with NASA in addition to my PhD program so my schedule going forward isn't going to have extra time to be available for the CBB. Please accept this email as my official resignation from the City of Gainesville Beautification Board. I had a great time working with everyone and wish you all the best in your future endeavors!

Thank you,

Trista Brophy
