I send this letter to regretfully and officially confirm that I must, at this time, step down from my position on the current Cultural Affairs Board.

Although I've certainly enjoyed and benefited from the recent years on which I've served on the CAB, continued responsibilities for my two growing companies seem to indicate, especially in recent months, that my ability to contribute and commit to regular attendance at the Board's monthly and special meetings is not feasible.

Please express my appreciation, Carol, to members of the Board and the City staff, for a very enjoyable experience. I hope that I may return as a long-time devotee of the arts, to serve the CAB as a volunteer or a member in the future.

Best wishes to all for a blessed Holiday season!
