Tom:

The Public Works Department has responded to the request from Golfview (letter from David Chalmers) concerning various issues. The actions taken were as follows:

1. Post NO PARKING signs on south side of 4<sup>th</sup> Place, west of 27<sup>th</sup> Street. – Work order has been issued to install the appropriate NO PARKING signs.
2. The turn around at the end of 4<sup>th</sup> Place should be large enough for garbage trucks to turn around and not back down the hill. – There is not sufficient right of way to enlarge the cul-de-sac. To enlarge the cul-de-sac to the correct size would require acquisition of private property.
3. Remove vegetation in the City Park across from 326 SW 27<sup>th</sup> Street. - Street Division has removed the vegetation along the eastern edge of the road, improving sight vision.
4. Speed Humps need to be re-painted. – This has been scheduled.
5. NO PARKING sign across from 2717 SW 3<sup>rd</sup> Place needs repairing. – Sign has been repaired.
6. The north part of SW 27<sup>th</sup> Street needs new NO PARKING and DECAL PARKING signs to eliminate confusion. – This work has been scheduled.
7. Entrance sign at SW 2<sup>nd</sup> Avenue is down and lying in the grass. – No such sign could be found and there does not appear to be any missing signs.
8. Cars parked on lawn and trash scattered about at 2525 SW 2<sup>nd</sup> Avenue. – Not handled by Traffic Ops. Codes issue.
9. Bus bench missing on SW 2<sup>nd</sup> Avenue. – Per RTS, all the bus stops along SW 2<sup>nd</sup> Avenue are missing and RTS is working with FDOT to resolve this issue (SW 2<sup>nd</sup> Avenue is a FDOT road.)
10. Trash container needed at SW 2<sup>nd</sup> Avenue and 26<sup>th</sup> Street. – Trash containers only installed at bus stops.

Brian
