Good Morning Jean,

Unfortunately, Mary has resigned from the CACCD. This is very sad because she was a wonderful Chair and member. She will be missed!!!

Dear Jim,

This year will be a very busy one for me in my work related activities. I believe that it will be best for the CACCD if I resign at this time. I will not be available for most of April and that is when most of the critical work of the committee takes place. I truly believe the work of the CACCD is very important to the people of Gainesville. I do hope to be able to come back to work on the committee at some point in the future.

I have truly enjoyed working with you and your staff. I think the City of Gainesville is very fortunate to have all of you.

Sincerely,

Mary Freeman
