Dear commissioners,

I know that many of you were at yesterday's meeting, but just in case, here is the County motion concerning the CRAs

1. City agrees to have substantial negotiations with the County on an Interlocal Agreement that would be finalized by June 30th, 2018 to include at least the following:
  - Reduction of the College Park Tax Increment Financing (TIF) to Equal the City beginning October 1, 2018
  - Establish objective criteria agreed to by a majority of both Boards that could result in the Celebration of Success and if achieved, the Ultimate Sun Setting of any current CRAs."
