Dear Mike:

It is with great regret that I must inform you of my resignation from the Cultural Affairs Board. I have decided to reduce my after-work activities for a few months to better balance and prioritize my time.

Being part of such a wonderful group of people who work so hard to support the arts has meant a great deal to me and I would like to reconsider re-joining the CAB some time next year if you have openings.

I appreciate your understanding at this time.

Sincerely,

Kimberly Rose
