RE: Gainesville Energy Advisory Committee Participation

Dear David:

Please accept this letter as my formal resignation from the Gainesville Energy Advisory Committee. As you are aware, my participation has been sporadic over the past year. I have found the committee to be a challenge in that this committee seems to struggle with productivity and often allows non-members to dominate meeting discussion with complaints and negativity.

I appreciate your dedication to providing quality information for the committee to review and wish success to the committee in the future. If you need any additional information from me, please feel free to contact me at 377-5821.

Sincerely,

  
Terri Lowery
