

Master Services and Purchasing Agreement

This Master Services and Purchasing Agreement (“**Agreement**”) is between Axon Enterprise, Inc., a Delaware corporation (“**Axon**”), and the agency on the Quote (“**Agency**”). This Agreement is effective as of the later of the (a) last signature date on this Agreement or (b) signature date on the Quote (“**Effective Date**”). Axon and Agency are each a “**Party**” and collectively “**Parties**”. This Agreement governs Agency’s purchase and use of the Axon Devices and Services detailed in the Quote Appendix (“**Quote**”). It is the intent of the Parties that this Agreement act as a master agreement governing all subsequent purchases by Agency for the same Axon products and services in the Quote, and all such subsequent quotes accepted by Agency shall be also incorporated into this Agreement by reference as a Quote. The Parties therefore agree as follows:

1 **Definitions.**

“**Axon Cloud Services**” means Axon’s web services for Axon Evidence, Axon Records, Axon Dispatch, and interactions between Evidence.com and Axon Devices or Axon client software. Axon Cloud Service excludes third-party applications, hardware warranties, and my.evidence.com.

“**Axon Devices**” means all hardware provided by Axon under this Agreement.

“**Quote**” means an offer to sell and is only valid for devices and services on the quote at the specified prices. Any terms within Agency’s purchase order in response to a Quote will be void. Orders are subject to prior credit approval. Changes in the deployment estimated ship date may change charges in the Quote. Shipping dates are estimates only. Axon is not responsible for typographical errors in any offer by Axon, and Axon reserves the right to cancel any orders resulting from such errors.

“**Services**” means all services provided by Axon under this Agreement, including software, Axon Cloud Services, and professional services.

Term. This Agreement begins on the Effective Date and continues ~~until all subscriptions hereunder have expired or have been terminated for a period of 5 years in accordance with the Quote~~ (“**Term**”). The obligations of the City as to any funding required pursuant to this Agreement shall be limited to an obligation in any given year to budget and appropriate from legally available funds, after monies for essential City services have been budgeted and appropriated, sufficient monies for the funding that is required during that year. Notwithstanding the foregoing, the City shall not be prohibited from pledging any legally available non-ad valorem revenues for any obligations heretofore or hereafter incurred, which pledge shall be prior and superior to any obligation of the City pursuant to this Agreement.

All subscriptions including Axon Evidence, Axon Fleet, Officer Safety Plans, Technology Assurance Plans, and TASER 7 plans begin after shipment of the applicable Axon Device. If Axon ships the Device in the first half of the month, the start date is the 1st of the following month. If Axon ships the Device in the second half of the month, the start date is the 15th of the following month. For purchases solely of Axon Evidence subscriptions, the start date is the Effective Date. Each subscription term ends upon completion of the subscription stated in the Quote (“**Subscription Term**”).

~~Upon completion of the Subscription Term, the Subscription Term will automatically renew for an additional 5 years (“Renewal Term”). For purchase of TASER 7 as a standalone, Axon may increase pricing to its then-current list pricing for any Renewal Term. For all other purchases, Axon may increase pricing on all line items in the Quote up to 3% at the beginning of each year of the Renewal Term. New devices and services may require additional terms. Axon will not authorize services until Axon receives a signed Quote or accepts a purchase order, whichever is first.~~

2 **Payment.** Axon invoices upon shipment. Payment is due net 30 days from the invoice date. Payment obligations are non-cancelable. Agency will pay invoices without setoff, deduction, or withholding. If Axon sends a past due account to collections, Agency is responsible for collection and attorneys’ fees.

3 **Taxes.** Agency is a tax exempt governmental agency.

4 **Shipping.** Axon may make partial shipments and ship Devices from multiple locations. All shipments are FOB shipping point via common carrier. Title and risk of loss pass to Agency upon Axon’s delivery to the common carrier. Agency is responsible for any shipping charges in the Quote.

Master Services and Purchasing Agreement

- 5 **Returns.** All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.
- 6 **Warranty.**
- 6.1 **Hardware Limited Warranty.** Axon warrants that Axon-manufactured Devices are free from defects in workmanship and materials for 1 year from the date of Agency's receipt, except Signal Sidearm, which Axon warrants for 30 months from the date of Agency's receipt. Axon warrants its Axon-manufactured accessories for 90-days from the date of Agency's receipt. Used conducted energy weapon ("CEW") cartridges are deemed to have operated properly. Extended warranties run from the expiration of the 1-year hardware warranty through the extended warranty term. Non-Axon manufactured Devices are not covered by Axon's warranty. Agency should contact the manufacturer for support of non-Axon manufactured Devices.
- 6.2 **Claims.** If Axon receives a valid warranty claim for an Axon manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Device with the same or like Device, at Axon's option. A replacement Device will be new or like new. Axon will warrant the replacement Device for the longer of (a) the remaining warranty of the original Device or (b) 90-days from the date of repair or replacement.
- If Agency exchanges a device or part, the replacement item becomes Agency's property, and the replaced item becomes Axon's property. Before delivering a Device for service, Agency must upload Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Device sent to Axon for service.
- 6.3 **Spare Devices.** Axon may provide Agency a predetermined number of spare Devices as detailed in the Quote ("Spare Devices"). Spare Devices will replace broken or non-functioning units. If Agency utilizes a Spare Device, Agency must return to Axon, through Axon's warranty return process, any broken or non-functioning units. Axon will repair or replace the unit with a replacement Device. Upon termination, Axon will invoice Agency the MSRP then in effect for all Spare Devices provided. If Agency returns the Spare Devices to Axon within 30 days of the invoice date, Axon will issue a credit and apply it against the invoice.
- 6.4 **Limitations.** Axon's warranty excludes damage related to: (a) failure to follow Device use instructions; (b) Devices used with equipment not manufactured or recommended by Axon; (c) abuse, misuse, or intentional damage to Device; (d) force majeure; (e) Devices repaired or modified by persons other than Axon without Axon's written permission; or (f) Devices with a defaced or removed serial number.
- 6.4.1 **To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement.**
- 6.4.2 **Axon's cumulative liability to any Party for any loss or damage resulting from any claim, demand, or action arising out of or relating to any Axon Device or Service will not exceed the purchase price paid to Axon for the Device, or if for Services, the amount paid for such Services over the 12 months preceding the claim. Neither Party will be liable for direct, special, indirect, incidental, punitive or consequential damages, however caused, whether for breach of warranty or contract, negligence, strict liability, tort or any other legal theory.**
- 7 **Statement of Work.** Certain Axon Devices and Services, including Axon Interview Room, Axon Channel Services, and Axon Fleet, may require a Statement of Work that details Axon's Service deliverables ("SOW"). In the event Axon provides an SOW to Agency, Axon is only responsible to perform Services described in the SOW. Additional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule. The SOW is incorporated into this Agreement by reference.
- 8 **Design Changes.** Axon may make design changes to any Axon Device or Service without notifying Agency or making the same change to Devices and Services previously purchased by Agency.
- 9 **Bundled Offerings.** Some offerings in bundled offerings may not be generally available at the time of Agency's purchase. Axon will not provide a refund, credit, or additional discount beyond what is in the Quote due to a delay of

Master Services and Purchasing Agreement

availability or Agency's election not to utilize any portion of an Axon bundle.

- 10 **Insurance.** Axon will maintain General Liability, Workers' Compensation, and Automobile Liability insurance. Upon request, Axon will supply certificates of insurance.
- 11 **Indemnification.** Axon will indemnify Agency's officers, directors, and employees ("Agency Indemnitees") against all claims, demands, losses, and reasonable expenses arising out of a third-party claim against an Agency Indemnitee resulting from any negligent act, error or omission, or willful misconduct by Axon under this Agreement, except to the extent of Agency's negligence or willful misconduct, or claims under workers compensation. Nothing in the Contract Documents shall be interpreted as a waiver of the City's sovereign immunity as granted under Section 768.28, Florida Statutes
- 12 **IP Rights.** Axon owns and reserves all right, title, and interest in Axon devices and services and suggestions to Axon, including all related intellectual property rights. Agency will not cause any Axon proprietary rights to be violated.
- 13 **IP Indemnification.** Axon will indemnify Agency Indemnitees against all claims, losses, and reasonable expenses from any third-party claim alleging that the use of Axon Devices or Services infringes or misappropriates the third-party's intellectual property rights. Agency must promptly provide Axon with written notice of such claim, tender to Axon the defense or settlement of such claim at Axon's expense and cooperate fully with Axon in the defense or settlement of such claim. Axon's IP indemnification obligations do not apply to claims based on (a) modification of Axon Devices or Services by Agency or a third-party not approved by Axon; (b) use of Axon Devices and Services in combination with hardware or services not approved by Axon; (c) use of Axon Devices and Services other than as permitted in this Agreement; or (d) use of Axon software that is not the most current release provided by Axon.
- 14 **Agency Responsibilities.** Agency is responsible for (a) Agency's use of Axon Devices; (b) breach of this Agreement or violation of applicable law by Agency or an Agency end user; and (c) a dispute between Agency and a third-party over Agency's use of Axon Devices.
- 15 **Termination.**
- 15.1 **For Breach.** A Party may terminate this Agreement for cause if it provides 30 days written notice of the breach to the other Party, and the breach remains uncured at the end of 30 days. If Agency terminates this Agreement due to Axon's uncured breach, Axon will refund prepaid amounts on a prorated basis based on the effective date of termination.
- 15.2 **By Agency.** If sufficient funds are not appropriated or otherwise legally available to pay the fees, Agency may terminate this Agreement. Agency will deliver notice of termination under this section as soon as reasonably practicable.
- 15.3 **Effect of Termination.** Upon termination of this Agreement, Agency rights immediately terminate. Agency remains responsible for all fees incurred before the effective date of termination. If Agency purchases Devices for less than the manufacturer's suggested retail price ("MSRP") and this Agreement terminates before the end of the Term, Axon will invoice Agency the difference between the MSRP for Devices received and amounts paid towards those Devices. Only if terminating for non-appropriation, Agency may return Devices to Axon within 30 days of termination. MSRP is the standalone price of the individual Device at the time of sale. For bundled Devices, MSRP is the standalone price of all individual components.
- 15.4 **Regardless of the reason or cause of the terminating by either party, AXON shall make available any and all video, audio and electronic recordings and data to the Agency, in accordance with the terms herein, for copying or storage as the information is a public record under the laws of the State of Florida and potential evidence in civil or criminal proceedings.**
16. Florida has a very broad public records law. By entering into this Contract with the CITY, AXON acknowledges that it will comply with the Florida Public Records Act (Chapter 119, Florida Statutes). In complying with the Florida Public Records Act, the AXON shall:

Master Services and Purchasing Agreement

- a) Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service;
- b) Provide the public with access to public records on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed the cost provided by law;
- c) Ensure that all public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and
- d) Meet all requirements for retaining public records and transfer to the CITY, at no cost, all public records in possession of the AXON upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the CITY. Notwithstanding the foregoing, Agency Content generated from the Devices may be exported in the mp4 format. For Agency Content from other means, the data will be exported in the format it was recorded. Axon shall provide a structured data element, similar to XML, providing all data elements, including metadata and audit trails, related to each individual video file. That data structure shall maintain the referential integrity of the data element relationships.

Failure to comply with the Florida Public Records Act, including failure to provide a public record upon request, is a breach of this Contract between the CITY and the AXON. The City may pursue all remedies for breach of this Contract.

19 **Confidentiality.** “**Confidential Information**” means nonpublic information designated as confidential or, given the nature of the information or circumstances surrounding disclosure, should reasonably be understood to be confidential. Each Party will take reasonable measures to avoid disclosure, dissemination, or unauthorized use of the other Party’s Confidential Information. Unless required by law, neither Party will disclose the other Party’s Confidential Information during the Term and for 5-years thereafter. Axon pricing is Confidential Information and competition sensitive. If Agency is required by law to disclose Axon pricing, to the extent allowed by law, Agency will provide notice to Axon before disclosure. Axon may publicly announce information related to this Agreement.

20 **General.**

20.1 Force Majeure. Neither Party will be liable for any delay or failure to perform due to a cause beyond a Party’s reasonable control.

20.2 Independent Contractors. The Parties are independent contractors. Neither Party has the authority to bind the other. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary, or employment relationship between the Parties.

20.4 Non-Discrimination. Neither Party nor its employees will discriminate against any person based on race; religion; creed; color; sex; gender identity and expression; pregnancy; childbirth; breastfeeding; medical conditions related to pregnancy, childbirth, or breastfeeding; sexual orientation; marital status; age; national origin; ancestry; genetic information; disability; veteran status; or any class protected by local, state, or federal law.

20.5 Export Compliance. Each Party will comply with all import and export control laws and regulations.

20.6 Assignment. Neither Party may assign this Agreement without the other Party’s prior written consent. Axon may assign this Agreement, its rights, or obligations without consent: (a) to an affiliate or subsidiary; or (b) for purposes of financing, merger, acquisition, corporate reorganization, or sale of all or substantially all its assets. This Agreement is binding upon the Parties respective successors and assigns.

Non-Content Data includes data about users captured during account management and customer support activities. Non-Content Data does not include Agency Content.

“**Personal Data**” means any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

2 **Access.** Upon Axon granting Agency a subscription to Axon Cloud Services, Agency may access and use Axon Cloud Services to store and manage Agency Content. Agency may not exceed more end users than the Quote specifies. Axon Air requires an Axon Evidence subscription for each drone operator. For Axon Evidence Lite, Agency may access and use Axon Evidence only to store and manage TASER CEW and TASER CAM data (“**TASER Data**”). Agency may not upload non-TASER Data to Axon Evidence Lite.

3 **Agency Owns Agency Content.** Agency controls and owns all right, title, and interest in Agency Content ~~and data from the devices purchased~~. Except as outlined herein, Axon obtains no interest in Agency Content, and Agency Content are not business records of Axon. Agency is solely responsible for uploading, sharing, managing, and deleting Agency Content. Axon will have limited access to Agency Content solely for providing and supporting Axon Cloud Services to Agency and Agency end users.

Commented [CB1]: Can the City clarify? This should be covered by Agency Content

Commented [CB2R1]: Can we remove this, as it should be covered by “Agency Content”? If needed, can the City please elaborate?

4 **Security.** Axon will implement commercially reasonable and appropriate measures to secure Agency Content against accidental or unlawful loss, access or disclosure. Axon will maintain a comprehensive information security program to protect Axon Cloud Services and Agency Content including logical, physical access, vulnerability, risk, and configuration management; incident monitoring and response; encryption of uploaded digital evidence; security education; and data protection. Axon agrees to the Federal Bureau of Investigation Criminal Justice Information Services Security Addendum.

5 **Agency Responsibilities.** Agency is responsible for (a) ensuring Agency owns Agency Content; (b) ensuring no Agency Content or Agency end user’s use of Agency Content or Axon Cloud Services violates this Agreement or applicable laws; and (c) maintaining necessary computer equipment and Internet connections for use of Axon Cloud Services. If Agency becomes aware of any violation of this Agreement by an end user, Agency will immediately terminate that end user’s access to Axon Cloud Services.

Agency will also maintain the security of end user names and passwords and security and access by end users to Agency Content. Agency is responsible for ensuring the configuration and utilization of Axon Cloud Services meet applicable Agency regulation and standards. Agency may not sell, transfer, or sublicense access to any other entity or person. Agency shall contact Axon immediately if an unauthorized party may be using Agency’s account or Agency Content, or if account information is lost or stolen.

6 **Privacy.** Axon will not disclose Agency Content or information about Agency except as compelled by a court or administrative body or required by law or regulation. If Axon receives a disclosure request for Agency Content, Axon will give Agency notice, unless legally prohibited from doing so, to allow Agency to

file an objection with the court or administrative body. Agency agrees to allow Axon access to certain information from Agency to (a) perform troubleshooting services upon request or as part of regular diagnostic screening; (b) enforce this Agreement or policies governing the use of Axon Evidence; or (c) perform analytic and diagnostic evaluations of the systems.

Agency administrators can manage their choice to use this service within the administrative features of Axon Cloud Services. If Agency chooses to use this service, Axon must also enable the usage of the feature for Agency's Axon Cloud Services tenant. Agency will not see this option with Axon Cloud Services unless Axon has enabled Wi-Fi Positioning for Agency's Axon Cloud Services tenant. When Wi-Fi Positioning is enabled by both Axon and Agency, Non-Content and Personal Data will be sent to Skyhook Holdings, Inc. ("Skyhook") to facilitate the Wi-Fi Positioning functionality. Data controlled by Skyhook is outside the scope of the Axon Cloud Services Privacy Policy and is subject to the Skyhook Services Privacy Policy.
- 8 **Storage.** For Axon Unlimited Device Storage subscriptions, Agency may store unlimited data in Agency's Axon Evidence account only if data originates from Axon Capture or the applicable Axon Device. Axon may charge Agency additional fees for exceeding purchased storage amounts. Axon may place Agency Content that Agency has not viewed or accessed for 6 months into archival storage. Agency Content in archival storage will not have immediate availability and may take up to 24 hours to access.
- 9 **Location of Storage.** Axon may transfer Agency Content to third-party subcontractors for storage. Axon will determine the locations of data centers for storage of Agency Content. For United States agencies, Axon will ensure all Agency Content stored in Axon Cloud Services remains within the United States. Ownership of Agency Content remains with Agency.
- 10 **Suspension.** Axon may temporarily suspend Agency's or any end user's right to access or use any portion or all of Axon Cloud Services immediately upon notice, if Agency or end user's use of or registration for Axon Cloud Services may (a) pose a security risk to Axon Cloud Services or any third-party; (b) adversely impact Axon Cloud Services, the systems, or content of any other customer; (c) subject Axon, Axon's affiliates, or any third-party to liability; or (d) be fraudulent.

- 11 **Axon Cloud Services Warranty.** Axon disclaims any warranties or responsibility for data corruption or errors before Agency uploads data to Axon Cloud Services.
- 12 **Axon Records.** Axon Records is the software-as-a-service product that is generally available at the time Agency purchases an OSP 7 bundle. During Agency's Axon Records Subscription Term, Agency will be entitled to receive Axon's Update and Upgrade releases on an if-and-when available basis.

An "**Update**" is a generally available release of Axon Records that Axon makes available from time to time. An "**Upgrade**" includes (i) new versions of Axon Records that enhance features and functionality, as solely determined by Axon; and/or (ii) new versions of Axon Records that provide additional features or perform additional functions. Upgrades exclude new products that Axon introduces and markets as distinct products or applications.

New or additional Axon products and applications, as well as any Axon professional services needed to configure Axon Records, are not included. If Agency purchases Axon Records as part of a bundled offering, the Axon Record subscription begins on the later of the (1) start date of that bundled offering, or (2) date Axon provisions Axon Records to Agency.

There will be no functionality of Axon Cloud Services during these 180-days other than the ability to retrieve Agency Content. Agency will not incur additional fees if Agency downloads Agency Content from Axon Cloud Services during this time. Axon has no obligation to maintain or provide Agency Content after these 180-days and will thereafter, unless legally prohibited, delete all Agency Content. Upon request, Axon will provide written proof that Axon successfully deleted and fully removed all Agency Content from Axon Cloud Services.
- 15 **Post-Termination Assistance.** Axon will provide Agency with the same post-termination data retrieval assistance that Axon generally makes available to all customers. If Agency originally purchased a single-bay Axon Dock, the Dock Upgrade will be a single-bay Axon Dock model that is the same or like Device, at Axon’s option. - 4 **Trade-in.** With regard to discounts on CEW-related line items, including items related to OSP, then that discount may only be applied as a trade-in credit, and Agency must return used hardware and accessories associated with the discount (“**Trade-In Units**”) to Axon. Agency must ship batteries via ground shipping. Axon will pay shipping costs of the return. If Axon does not receive Trade-In Units within the timeframe below, Axon will invoice Agency the value of the trade-in credit. Agency may not destroy Trade-In Units and receive a trade-in credit.

- 5 **TASER 7 Subscription Term.** The TASER 7 Subscription Term for a standalone TASER 7 purchase begins on shipment of the TASER 7 hardware. The TASER 7 Subscription Term for OSP 7 begins on the OSP 7 Start date.
- 6 **Access Rights.** Upon Axon granting Agency a TASER 7 Axon Evidence subscription, Agency may access and use Axon Evidence for the storage and management of data from TASER 7 CEW devices during the TASER 7 Subscription Term. Agency may not upload any non-TASER 7 data or any other files to Axon Evidence. Agency may not exceed the number of end users than the Quote specifies.
- 7 **Privacy.** Axon will not disclose Agency Content or any information about Agency except as compelled by a court or administrative body or required by any law or regulation. Axon will give notice if any disclosure request is received for Agency Content, so Agency may file an objection with the court or administrative body. Axon Auto-Tagging Appendix

- 1 **Scope.** Axon Auto-Tagging consists of the development of a module to allow Axon Evidence to interact with Agency's Computer-Aided Dispatch ("CAD") or Records Management Systems ("RMS"). This allows end users to auto-populate Axon video meta-data with a case ID, category, and location-based on data maintained in Agency's CAD or RMS.
- 2 **Support.** For thirty days after completing Auto-Tagging Services, Axon will provide up to 5 hours of remote support at no additional charge. Axon will provide free support due to a change in Axon Evidence, so long as long as Agency maintains an Axon Evidence and Auto-Tagging subscription. Axon will not provide support if a change is required because Agency changes its CAD or RMS.
- 3 **Changes.** Axon is only responsible to perform the Services in this Appendix. Any additional Services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule.
- 4 **Agency Responsibilities.** Axon's performance of Auto-Tagging Services requires Agency to:
 - 4.1 Make available relevant systems, including Agency's current CAD or RMS, for assessment by Axon (including remote access if possible);
 - 4.2 Make required modifications, upgrades or alterations to Agency's hardware, facilities, systems and networks related to Axon's performance of Auto-Tagging Services;
 - 4.3 Provide access to the premises where Axon is performing Auto-Tagging Services, subject to Agency safety and security restrictions, and allow Axon to enter and exit the premises with laptops and materials needed to perform Auto-Tagging Services;
 - 4.4 Provide all infrastructure and software information (TCP/IP addresses, node names, network configuration) necessary for Axon to provide Auto-Tagging Services;
 - 4.5 Promptly install and implement any software updates provided by Axon;
 - 4.6 Ensure that all appropriate data backups are performed;
 - 4.7 Provide assistance, participation, and approvals in testing Auto-Tagging Services;
 - 4.8 Provide Axon with remote access to Agency's Axon Evidence account when required;
 - 4.9 Notify Axon of any network or machine maintenance that may impact the performance of the module at Agency; and
 - 4.10 Ensure reasonable availability of knowledgeable staff and personnel to provide timely, accurate, complete, and up-to-date documentation and information to Axon.
- 5 **Access to Systems.** Agency authorizes Axon to access Agency's relevant computers, network systems, and CAD or RMS solely for performing Auto-Tagging Services. Axon will work diligently to identify as soon as reasonably practicable resources and information Axon expects to use and will provide an initial list to Agency. Agency is responsible for and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Agency.

Master Services and Purchasing Agreement

Axon Fleet Appendix

- 1 **Agency Responsibilities.** Agency must ensure its infrastructure and vehicles adhere to the minimum requirements to operate Axon Fleet as established by Axon during the on-site assessment at Agency and in any technical qualifying questions. If Agency's representations are inaccurate, the Quote is subject to change.
- 2 **CradlePoint.** With regard to CradlePoint Enterprise Cloud Manager, Agency will comply with CradlePoint's end user license agreement. The term of the CradlePoint license may differ from the Axon Evidence Subscription. CradlePoint installation is outside the scope of this Agreement. If Agency requires CradlePoint support, Agency will contact CradlePoint directly.
- 3 **Third-party Installer.** If Agency (a) installs Axon Fleet and related hardware without "train the trainer" Services from Axon; (b) does not follow instructions provided by Axon during train the trainer; or (c) uses a third-party to install the hardware (collectively, "Third-party Installer"), Axon will not be responsible for Third-party Installer's failure to follow instructions relating to installation and use of Axon Fleet. Axon will not be liable for the failure of Axon Fleet hardware to operate per Axon's specifications or damage to Axon Fleet hardware due to a Third-party Installer. Axon may charge Agency if Axon is required to (a) replace hardware damaged by Third-party Installer; (b) provide extensive remote support; or (c) send Axon personnel to Agency to replace hardware damaged by Third-party Installer.
- 4 **Wireless Offload Software.**
 - 4.1 **License Grant.** Axon grants Agency a non-exclusive, royalty-free, worldwide, perpetual license to use Wireless Offload Software ("WOS"). "Use" means storing, loading, installing, or executing WOS solely for data communication with Axon Devices for the number of licenses purchased. The WOS term begins upon the start of the Axon Evidence Subscription.
 - 4.2 **Restrictions.** Agency may not: (a) modify, alter, tamper with, repair, or create derivative works of WOS; (b) reverse engineer, disassemble, or decompile WOS, apply any process to derive the source code of WOS, or allow others to do so; (c) access or use WOS to avoid incurring fees or exceeding usage limits; (d) copy WOS in whole or part; (e) use trade secret information contained in WOS; (f) resell, rent, loan or sublicense WOS; (g) access WOS to build a competitive device or service or copy any features, functions or graphics of WOS; or (h) remove, alter or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon or Axon's licensors on or within WOS.
 - 4.3 **WOS Support.** Upon request by Axon, Agency will provide Axon with access to Agency's store and forward servers solely for troubleshooting and maintenance.
- 5 **Fleet 2 Unlimited.** Both Fleet 2 Unlimited and Fleet 2 Unlimited 60 require a 5-year term. Both offerings provide a 4-year extended warranty on Axon Fleet camera hardware.
- 6 **Fleet 2 Unlimited Upgrade.** For Axon Fleet 2 Unlimited, 5years after the start of the Axon Evidence Subscription associated with Agency's Axon Fleet Purchase, Axon will provide Agency a new front and new rear Axon Fleet camera that is the same or like Device, at Axon's sole option ("Axon Fleet Upgrade"). Axon Fleet 2 Unlimited 60 is not eligible to receive an Axon Fleet Upgrade.

After Agency makes the fifth Axon Fleet Unlimited payment, Agency may elect to receive the Axon Fleet Upgrade anytime in the fifth year of the Axon Evidence Subscription associated with Agency's Axon Fleet Purchase. If Agency would like to change models for the Axon Fleet Upgrade, Agency must pay the difference between the MSRP for the offered Axon Fleet Upgrade and the MSRP for the model desired. The MSRP is the MSRP in effect at the time of the upgrade. Agency is responsible for the removal of previously installed hardware and installation of the Axon Fleet Upgrade.

Within 30 days of receiving the Axon Fleet Upgrade, Agency must return the original Devices to Axon or destroy the Devices and provide a certificate of destruction to Axon, including serial numbers of the destroyed Devices. If Agency does not destroy or return the Devices to Axon, Axon will deactivate the serial numbers for the Devices received by Agency.

- 7 **Fleet Unlimited Termination.** If Agency's payment for any Axon Fleet Unlimited program or Axon Evidence is more than 30 days past due, Axon may terminate Axon Fleet Unlimited. Once Axon Fleet Unlimited terminates for any reason, then:
- 7.1 Axon Fleet Unlimited coverage terminates, and no refunds will be given.
 - 7.2 Axon will not and has no obligation to provide the Axon Fleet Upgrade Models.
 - 7.3 Agency will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future Axon Fleet Unlimited.

Axon Aware Appendix

This Axon Aware Appendix applies to both Axon Aware and Axon Aware Plus.

- 1 **Axon Aware Subscription Term.** The Axon Aware subscription begins on the later of the (1) start date of that bundled offering, or (2) date Axon provisions Axon Aware to Agency.

The Axon Aware subscription term will end upon the completion of the Axon Evidence Subscription associated with Axon Aware.

- 2 **Scope of Axon Aware.** The scope of Axon Aware is to assist Agency with real-time situational awareness during critical incidents to improve officer safety, effectiveness, and awareness. In the event Agency uses Axon Aware outside this scope, Axon may initiate good-faith discussions with Agency on upgrading Agency's Axon Aware to better meet Agency's needs.

- 3 **LTE Requirements.** Axon Aware is only available and usable with an LTE enabled body-worn camera. Axon is not liable if Agency utilizes the LTE device outside of the coverage area or if the LTE carrier is unavailable. LTE coverage is only available in the United States, including any U.S. territories. Axon may utilize a carrier of Axon's choice to provide LTE service. Axon may change LTE carriers during the Term without Agency's consent.

- 4 **Axon Aware Service Limitations.** Agency acknowledges that LTE service is made available only within the operating range of the networks. Service may be temporarily refused, interrupted, or limited because of: (a) facilities limitations; (b) transmission limitations caused by atmospheric, terrain, other natural or artificial conditions adversely affecting transmission, weak batteries, system overcapacity, movement outside a service area or gaps in coverage in a service area and other causes reasonably outside of the carrier's control such as intentional or negligent acts of third parties that damage or impair the network or disrupt service; or (c) equipment modifications, upgrades, relocations, repairs, and other similar activities necessary for the proper or improved operation of service.

Partner networks are made available as-is and the carrier makes no warranties or representations as to the availability or quality of roaming service provided by carrier partners, and the carrier will not be liable in any capacity for any errors, outages, or failures of carrier partner networks. Agency expressly understands and agrees that it has no contractual relationship whatsoever with the underlying wireless service provider or its affiliates or contractors and Agency is not a third-party beneficiary of any agreement between Axon and the underlying carrier.

- 5 **Termination.** Upon termination of this Agreement, or if Agency stops paying for Axon Aware or bundles that include Axon Aware, Axon will end LTE service.
