**Subject:** City Beautification Board resignation

Hello, Earline.

With great regret, I am writing to respectfully resign from my position on the City Beautification Board.

My work and personal obligations have changed significantly since I was appointed in 2015, such to the point I feel I can no longer offer value as a member of this Board. Rather than be marginally available to advance the mission of the CBB, I would rather vacate my seat so that somebody else who is fully able to contribute may fill it.

My time with the CBB has been incredibly rewarding and I am grateful for the relationships I have cultivated over the past two years. It was an honor to serve the City of Gainesville in this capacity and I look forward to revisiting future service opportunities to the City in another capacity when I can give it my full attention at another time.

Should you need anything additional from me on this matter, please let me know. Otherwise, please extend my appreciation to the City Commission and my fellow Board members. I consider myself blessed to have served along side such a fine group of dedicated people.

Sincerely,

Kimberly Buchholz

Hi Earline,

I have been offered a position out-of-state and will be moving at the end of October. Unfortunately, this means I will no longer be able to serve on the City Beautification Board. Thank you for being so welcoming while I was a member.

Best,  
Jacquelyne Smith

Thanks Richard. I am assuming that this is your intention to resign from the Nature Centers Commission. I am forwarding this email to the Clerk as notification of your resignation.

Linda thanks for checking in. I'm sorry to say but I was expecting to be a little involved myself. I'm available to consult with you about tree/forest issues as needed but I'm going to have to pass on the monthly meetings.

Thank you  
Richard

Hi Richard,

I am wondering if you still wish to be on the Nature Centers Commission citizen advisory board? I am preparing to send out the meeting materials for the next meeting which is one week from today and I noticed that you missed the last three meetings. If you decide to stay we very much appreciate your participation. If you decide to leave I understand completely. Please let me know your intentions.

Thanks sincerely, Linda
