

DRAFT

PROGRAM LIST
REGIONAL TRANSIT SYSTEM

1. Achieve average fleet age standard
2. Increase fixed-route fixed-scheduled service levels (frequency of service and span of service) to the east side
3. Consider weekend service additions to selected campus routes
4. Evaluate alternatives to later Gator service using ridesharing options (Lyft, Uber)
5. Continue bus stop enhancement program
6. Depending on performance expand the RTS 711 service
7. Develop program and services to increase Santa Fe service levels through increased Santa Fe financial participation
8. Develop program and services to increase Alachua County service levels through increased their financial participation
9. Develop program and services to increase UF service levels through increased their financial participation
10. Ensure adequate bus operator and maintenance employee staffing levels through compensation/benefit adjustments to control/reduce turnover and overtime
