Robin,

No need to do anything further ~ I'll process the resignation for acceptance at the May 13th Commission meeting. Once that occurs, I'll remove him from the roster.

Devonia, Pat says there is no way to get a letter of resignation from Robert Rieders. How should I proceed? Thanks for your help with this. Robin

No he didn't and we expressed that to the Clerks office. There is no way we will receive a resignation letter from him. He shared his departure at the CBB meeting months ago and he's gone. PB

Pat, did Robert Rieders officially resign from CBB? Do we have a letter of resignation?

Robin,

Please check with Pat to see if Mr. Rieders submitted a letter of resignation or if his resignation was verbal. If he submitted a letter, I need a copy for our files. Either way, the resignation needs to be accepted by the Commission before it is official. Let me know what you find out.

Thanks - Devonia

Hello Ms. Andrew. Pat Byrne informed me that Robert Rieder has resigned from the City Beautification Board. Can we update the list to show his position as vacant? Thank you.
