9-17-20 City Commission Agenda Item #200249 – Ordinance Repealing the Landlord Permit Program and Creating the Residential Rental Unit Permit and Inspection Program

It was an honor to serve as a member of the Rental Housing Subcommittee, and I proudly support the passing of both Ordinance No. 200247 (Ordinance Repealing the Housing and Commercial Building Codes and Adopting the International Property Maintenance Code) and Ordinance No. 200249 (Repealing the Landlord Permit Program and Creating the Residential Rental Unit Permit and Inspection Program) which were created based on our subcommittee recommendations.
