

Updates to Article II of Chapter 28

Article II addresses Non-Motorized Vehicles
for Hire (VFH), commonly referred to as
pedi-cabs.

Mike Barnes
Towing Administrator

Previous changes to Chapter 28

- In 2015, Article I (Motorized VFH) was changed and updated to allow for companies operating from a digital platform, specifically Uber.
- No changes were made to Article II, in 2015
- Sections of Article II, that referenced Article I, were no longer accurate

Proposed amendments to Article II

- Changes will more closely align Article I and Article II simplifying the administration and enforcement of Chapter 28
- An annual license added, company requirements similar to Article I
- Company issued driver authorizations added, requirements similar to Article I
- Vehicle safety standards and prohibited conduct have only minor wording changes
- Enforcement, violations and penalties amended to be similar to Article I
