**Date:** April 27, 2016

**Bid Date:** May 11, 2016  
3:00 P.M. (Local Time)

**Bid Name:** Uniform Purchase for Regional Transit System Employees (rebid)

**Bid No.:** RTSX-160029-DS

NOTE: This Addendum has been issued to the holders of record of the specifications.

The original Specifications remain in full force and effect except as revised by the following changes which shall take precedence over anything to the contrary:

1. The deadline for additional questions is end of day on Monday, May 2nd.
2. Find attached:
  - Copy of the lobbying and blackout period definitions (Purchasing Procedure 41-424) distributed during non-mandatory pre-bid meeting
  - Copy of the pre-bid meeting sign-in sheet
3. Daphyne SESCO, Purchasing Division, discussed bid requirements:
  - Since this is a non-mandatory meeting you do not have to be present to submit a bid.
  - The blackout period began once the bid was released and continues until contract award. No lobbying or discussions can occur between bidder and any representative of the City or GRU, except the designated purchasing staff contact; otherwise your bid will be disqualified.
  - Verbal instruction does not change the terms of the solicitation – changes can only be made via a written addenda. Questions/Answers and topics of discussion addressed at this meeting will be available in an addendum for download through DemandStar.
  - All communication, contact and/or correspondence must be with the buyer, Daphyne SESCO. Bidders who have contact with anyone other than the buyer (A/E, department, City elected officials, etc.) will be disqualified.
  - Responses are to be received in the Purchasing office no later than 3:00 p.m. (local time) on May 11, 2016. Any bids after 3:00 p.m. on that date will not be accepted. Bids must be physically received in the City's Purchasing Department. Only hand-delivered responses are acceptable (i.e., in person or through a delivery service such as FedEx, UPS).
  - As Addenda are issued, the signature page should be included in the response acknowledging receipt of the addendum.

- Buy America does not apply to this purchase.
- Requirement of minimum of 3 years in business.
- The following change is hereby made to the bid; refer to Section IV – Technical Specifications, 3.4, “Vendor must should submit detailed manufacturer’s specifications and a sample of the garment(s) for evaluation with their proposal. Failure to not provide either will not be reason for qualification. The City may request either detailed manufacturer’s specifications and/or sample garments after the bid opening. Vendor will be responsible for any charges incurred for packaging and shipping of samples. Additionally, should the Vendor desire the return of uniform samples it will be up to the Vendor to make arrangements for pickup, including any costs associated with said pickup of items.

4. Eustache Mine, Transit Operations Manager, reviewed the scope of the bid.

5. Questions/Answers:

Question1: Can we substitute another shirt?

**Answer1: In order to be in compliant with the specifications no substitution would be permitted. However, if you bid according to the specifications, then you may list an alternate as well.**

Question2: There are two logos in the bid. Are they both on the same side of the shirt?

**Answer2: One logo would go on the left side of the shirt. The other logo would be used for the cap. However, we have just adopted a new logo (see attached) which will be used in place of the other logos for shirts and the cap.**

Question3: The bid lists a visor...the logo is very tall; is there a different logo?

**Answer3: Normally, the same logo would be used but shrunk to a smaller size. However, the “visor” was unintentionally included and is hereby deleted.**

Question4: Will there be names on the opposite side of the shirt?

**Answer4: No, there is no personalization with names.**

Question5: Shoes are an alternate. I have a supplier if you are interested.

**Answer5: Shoes are optional as they are rarely ever ordered. No bidder will be disqualified if a bid on this item is not provided.**

Question6: Will you place orders with a Pcard?

**Answer6: No. The vendor would come in for a few days to place orders, we would receive those orders and distribute to the employees. A purchase order will be issued by the City to the vendor. Individual orders are limited to items on the contract and a set dollar amount. If the individual requests something over their limit, then that purchase and payment would be between the vendor and the individual. Ideally, if the awarded vendor had a local presence we would give our employees a period of time to place orders on-site at RTS with vendor or at the vendor’s local store.**

ACKNOWLEDGMENT: Each Proposer shall acknowledge receipt of this Addendum No. 1 by his or her signature below, **and shall attach a copy of this Addendum to its proposal.**
