Service Request	2/5/15 City Commission Staff Assignment - Commission Comment (Backgrounds of Employees and Vendors)
Description	Commissioner Chase successfully moved to refer a discussion of the process for hiring employees, selecting vendors and vetting of City and vendor employees for the Medieval Fair and other City sponsored special events to the RCAPW Committee. On a related note Commissioner Hinson-Rawls raised questions about the placement of a City employee at the MLK Center who apparently had been charged with a felony. Please research this and share your findings with the City Manager and be prepared to discuss background checks for PRCA employees. Please coordinate with Human Resources and GPD as needed.
