Dear Kim and Members,

I regret to inform you of my need to resign from the RTS advisory Board. I am unable to meet on Wednesday evenings due to commitments to my church. This does not mean that my commitment to accessible affordable public transportation has changed, it hasn't. My church is going through a transition and as a lei leader, I believe I am needed more there at this time. I may recommit to this board in the future. I hope you will consider me as a prospective member in the future?

Respectfully,

Jim East MHS, CRC, Retired

Subject: RE: REMINDER: Human Rights Board Meeting

Good morning,

Please accept this email as my resignation from the Human Rights Board. It has come to my attention that members of this board must reside within the city limits of Gainesville. Although I reside in Alachua County, my neighborhood has not been annexed into the city. This stipulation is surprising to me because if I am not mistaken, the board hears cases from individuals outside of the city limits. It is with deep regret that I must take this action as I truly value the short time that I have served. Blessings upon you and the board members and much success with all you will do for the city of Gainesville and its citizens.
