Sandy,
I am sorry to hear that you are leaving, but I do understand. Thank you for giving your energy to the CAB this past year. I look forward to having you return to the Board when your studies conclude.
Personally, I wish you all the best. I have enjoyed meeting you.

Hi, Connie,
It is with regret I must resign from the Cultural Affairs Board. In my short term, I learned much, met many wonderful people, contributed at least some value to the Board and had fun as well.

I am now a student once again, pursuing a master's degree while I continue working full time. My first class meets on Wednesdays from 5-8, so I could not make any meetings until late spring. In addition, I believe the amount of available time would make it difficult for me to contribute much value to the board.

I expect to be done in two years and will check back with you at that time about vacancies. I really was looking forward to participating in the Budget and Grants committee and Executive Board activities.

Thanks for all you do for the Board and the City!
Happy Holidays,
-sandy
