2008 - 2009 SALARY SURVEY FOR CHARTER OFFICER: CITY CLERK

Jurisdictions from throughout the State of Florida were included in this year's survey. Not all cities replied nor do they all have comparable positions to the City of Gainesville's Charter Officers. For the analysis of the City Clerk salaries only cities with a City Clerk reporting to a Mayor or Commission/Council were included. The 2008 Florida Price Level Index (FPLI) and the city populations are provided in Figure 1. The attached Figure 2 contains the raw data for all surveyed cities. The bar charts represent the comparable unadjusted (Figure 3) and adjusted (Figure 4) salaries.
