Subject: Ad Hoc Committee on Wetland and Creek Regulations

**FILE #002449**

**March 11, 2002**

Dear Mr. Mimms,

After due consideration I realize that my time commitments are such that I must resign from the Ad Hoc committee on Wetland and Creek Regulations. Unfortunately my commitments are such that I do not see any available time until after the Spring Semester ends in April.

Thank you.

Mark T. Brown
