Box 46

TO: Mayor and City Commission

DATE: November 28, 2005
SECOND READING

FROM: City Attorney

SUBJECT: Ordinance No. 0-05-73; Petition 35TCH-05 PB
An ordinance of the City of Gainesville, Florida, creating new zoning district categories in the Land Development Code, called Urban Mixed-Use 1 (UMU-1: up to 75 units/acre) and Urban Mixed-Use 2 (UMU-2: up to 100 units/acre); providing regulations for UMU-1 and UMU-2; allowing up to an additional 25 units per acre with a special use permit; providing directions to the city manager; providing directions to the codifier; providing a severability clause; and providing an immediate effective date.

Recommendation: The City Commission adopt the proposed ordinance.

COMMUNITY DEVELOPMENT DEPARTMENT
STAFF REPORT

This is a request to add a new zoning district category to the City's Land Development Code Plan. The concept for this new category was developed after a city government fact-finding trip to Norfolk, Va. and New Haven, Conn. After the trip the City Commission formed the Urban Master Planning Committee. The committee recommended that the City adopt a flexible urban mixed-use land use and zoning district, allowing increased heights and densities, and allowing mixed uses including "tech transfer" uses.

The petition is related to 34CPA-05PB and proposes the zoning district that will be used to implement the Urban Mixed-Use land use category. The Urban mixed-use district (UMU) zoning district provides the detail listing of the uses allowed. The district is very similar to the other mixed-use categories with the exception that it allows Research and Development in the Physical, Engineering and Life Sciences ("tech transfer"), the full range of medical and health related facilities and, hotels and motels. The district will also allow a variety of residential units up to 75 units per acre without density bonus points.

The City Plan Board heard the petition and recommended approval with the condition that staff meet with developers of the College Park/University Height's area about the density prior to the City Commission hearing.

The City Plan Board heard the petition and recommended approval with the condition that staff meet with developers of the College Park/University Height's area about the density prior to the City Commission hearing.

City Staff is also recommending that Alcoholic beverage establishments be added to the list of permitted uses in accordance with article VI of the Land Development Code to accommodate existing businesses located in the new zone.

Public notice was published in the Gainesville Sun on May 3, 2005. Letters were mailed to property owners and surrounding property owners on May 4, 2005. The Plan Board held a public hearing May 19, 2005.

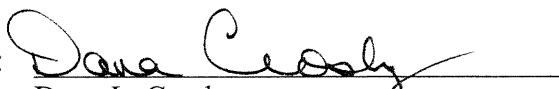

CITY ATTORNEY MEMORANDUM

The City Commission considered Petition 35 TCH-05 PB on June 13, 2005. During this hearing, the City Commission moved to create two urban mixed-use zoning categories (one up to 75 dwelling units per acre and the other up to 100 dwelling units per acre, each with up to 25 additional units per acre with Special Use permit) and established a 2-story minimum height throughout the urban mixed use land use categories. As well, alcoholic beverage establishments are added as a permitted use in the district by special use permit. The proposed ordinance reflects these changes.

This ordinance requires two public hearings. If adopted on first reading, the second and final reading will be held on Monday, November 28, 2005.

An ordinance of the City of Gainesville, Florida, creating new zoning district categories in the Land Development Code, called Urban Mixed-Use 1 (UMU-1: up to 75 units/acre) and Urban Mixed-Use 2 (UMU-2: up to 100 units/acre); providing regulations for UMU-1 and UMU-2; allowing up to an additional 25 units per acre with a special use permit; providing directions to the city manager; providing directions to the codifier; providing a severability clause; and providing an immediate effective date.

WHEREAS, the City Plan Board authorized the publication of notice of a Public Hearing that the text of the Land Development Code of the City of Gainesville, Florida, be amended; and

WHEREAS, notice was given and publication made as required by law and a Public Hearing was then held by the City Plan Board on May 19, 2005; and

WHEREAS, notice was given and publication made as required by law and a Public Hearing was then held by the City Commission on June 13, 2005; and

WHEREAS, pursuant to law, an advertisement no less than 2 columns wide by 10 inches long was placed in a newspaper of general circulation notifying the public of this proposed ordinance and of a Public Hearing in the Auditorium of City Hall in the City of Gainesville, at least 7 days after the day the advertisement was published; and

WHEREAS, a second advertisement no less than 2 columns wide by 10 inches long was placed in the same newspaper notifying the public of the second Public Hearing to be held at the adoption stage at least 5 days after the day this advertisement was published; and

WHEREAS, the Public Hearings were held pursuant to the published notices described at which hearings the parties in interest and all others had an opportunity to be and were, in fact, heard;

1 NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE
2 CITY OF GAINESVILLE, FLORIDA:

3 Section 1. A new section 30-65.1, entitled "Urban mixed-use district 1 (UMU-1)," is
4 created and added to the City of Gainesville Land Development Code to read as follows:

5 Sec. 30-65.1 Urban mixed-use district 1 (UMU-1).

6 (a) Purpose. The UMU-1 district is created to promote and encourage redevelopment of
7 urban corridors and neighborhoods in the core of the city and to reflect the character and scale of
8 the existing developments in the neighborhoods. The UMU-1 district is intended to encourage
9 pedestrian access and the combining of trips and is established to allow uses compatible with each
10 other and with surrounding residential areas which are consistent with the land use policies stated
11 in the comprehensive plan. This district will also allow for establishments engaged in
12 conducting research and experimental development in the physical, engineering or life sciences, in
13 order to facilitate technology transfer from institutions of higher learning to the market place.

14 (b) Objectives. The objectives of this district are to:

- 15 (1) Provide a mixture of residential, commercial and office/research uses that are
- 16 complementary to the residential and mixed-use character of the district;
- 17 (2) Encourage the renovation of existing structures;
- 18 (3) Promote the integration of pedestrian traffic and vehicular traffic;
- 19 (4) Promote retail and office uses that serve the surrounding neighborhoods; and
- 20 (5) Promote office/research uses to serve the needs of the University and the community.

21 (c) Permitted uses.

22 (1) Uses by right are as follows:

however, the height of buildings located within 50 feet of property designated Single-Family or Residential Low-Density on the future land use map shall not exceed 6 stories.

A special use permit is required for any height over 6 stories. In addition to the criteria listed at Section 30-233, a special use permit for buildings over 6 stories shall meet the following criteria:

- a. No more than 150 ft. of horizontal first story facade will be allowed without an entrance, which is defined to be an operable door;
- b. Sidewalks along the street edge shall be at least 10 ft. wide;
- c. There is at least 80% building lot frontage;
- d. The first story is at least 10 ft. in floor to ceiling height; and
- e. The first story contains only retail, service, and/or restaurant uses when the first story fronts an "A" street or other primary street or streets as determined by the City Manager or designee or appropriate reviewing board.

(e) Additional requirements.

(1) General conditions. All structures and uses within this district shall also comply with the applicable requirements and conditions of section 30-67 and Article IX.

1 (2) When the development is located in a Special Area Plan Overlay District. If the
 2 provisions of the Special Area Plan conflict with the underlying zoning, the provisions of the
 3 Special Area Plan shall govern and prevail. The effect of the classification is that the Special area
 4 Plan is the applicable set of regulations. The underlying zoning and provisions of the Land
 5 Development Code shall apply when the Special Area Plan does not address a requirement.

6 (3) Projections over right-of-way. Projections may project over any public right-of-way used
 7 for sidewalks or other pedestrian walkways when in conformance with the Florida
 8 Building Code and when permitted by the public entity responsible for the right-of-way by the
 9 granting of an easement or other appropriate property right.

10 (f) General requirements. All structures and uses within this district shall also comply with the
 11 applicable requirements and conditions of section 30-67 and Article IX.

12 **Section 2.** A new section 30-65.2, entitled “Urban mixed-use district 2 (UMU-2)”, is created
 13 and added to the City of Gainesville Land Development Code to read as follows:

14 **Sec. 30-65.2. Urban mixed-use district 2 (UMU-2).**

15 (a) Purpose. The UMU-2 district is created to promote and encourage redevelopment of urban
 16 corridors and neighborhoods in the core of the city and to reflect the character and scale of the existing
 17 developments in the neighborhoods. The UMU-2 district is intended to encourage pedestrian access and
 18 the combining of trips and is established to allow uses compatible with each other and with surrounding
 19 residential areas which are consistent with the land use policies of the comprehensive plan. This
 20 district will also allow for establishments engaged in conducting research and experimental
 21 development in the physical, engineering or life sciences, in order to facilitate technology transfer from
 22 institutions of higher learning to the market place.

23 (b) Objectives. The objectives of this district are to:

- 1 (1) Provide a mixture of residential, commercial and office/research uses that are
 2 complementary to the residential and mixed-use character of the district;
 3 (2) Encourage the renovation of existing structures;
 4 (3) Promote the integration of pedestrian traffic and vehicular traffic;

5 (5) Building height. A minimum of 2 stories. A maximum of 8 Stories; however, the
 6 height of buildings located within 50 feet of property designated Single-Family or
 7 Residential Low-Density on the future land use map shall not exceed 6 stories. A special
 8 use permit is required for any height over 6 stories. In addition to the criteria listed at

1 Section 30-233, a special use permit for buildings over 6 stories shall meet the following
2 criteria:

3 a. No more than 150 ft. of horizontal first story façade will be allowed without an
4 entrance, which is defined to be an operable door;

5 b. Sidewalks along the street edge shall be at least 10 ft. wide;

6 c. There is at least 80% building lot frontage;

7 d. The first story is at least 10 ft. in floor to ceiling height; and

8 e. The first story contains only retail, service, and/or restaurant uses when the first story
9 fronts an "A" street or other primary street or streets as determined by the City Manager
10 or designee or appropriate reviewing board.

11 (e) Additional requirements.

12 (1) General conditions. All structures and uses within this district shall also comply with the
13 applicable requirements and conditions of section 30-67 and Article IX.

14 (2) When the development is located in a Special Area Plan Overlay District. If the
15 provisions of the Special Area Plan conflict with the underlying zoning, the provisions of the
16 Special Area Plan shall govern and prevail. The effect of the classification is that the Special area
17 Plan is the applicable set of regulations. The underlying zoning and provisions of the Land
18 Development Code shall apply when the Special Area Plan does not address a requirement.

19 (3) Projections over right-of-way. Projections may project over any public right-of-way used
20 for sidewalks or other pedestrian walkways when in conformance with the Florida
21 Building Code and, when permitted by the public entity responsible for the right-of-way by the
22 granting of an easement or other appropriate property right.

23 (f) General requirements. All structures and uses within this district shall also comply with the

1 applicable requirements and conditions of section 30-67 and Article IX.

2

3 **Section 3.** It is the intention of the City Commission that the provisions of Section 1 and
4 Section 2 shall become and be made a part of Land Development Code of the City of
5 Gainesville, Florida, and that the Sections and Paragraphs of this ordinance may be renumbered
6 or relettered in order to accomplish such intentions.

7 **Section 4.** If any section, sentence, clause or phrase of this ordinance is held to be
8 invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no
9 way affect the validity of the remaining portions of this ordinance.

10 **Section 5.** This ordinance shall become effective immediately upon final adoption.
