CITY OF GAINESVILLE FLORIDA

every path starts with passion

# Florida City Commissions

## Statistics and Findings

# Goal:

-Present information from cities in the state of Florida to determine the lost or gained efficiency of having 2 at-large city commission seats.

-Prevent future conflicts (e.g. collusion) and attempt to maximize equal representation.

# The Issue

-The Gainesville city commission consists of 4 district elected and 2 at-large commissioners with a mayor who is elected by the city's voters as a whole.

-Having 2 at-large commissioners creates a conflict because it allows for a misrepresentation of the electorate.
