DISCUSSION OF PENDING REFERRALS

[130510.](#)

**Strategic Initiative 7.2 - Monitor compliance with recycling ordinances and
identify a roadmap for achieving a recycling goal of 75% (B)**

**This item is a follow-up to the July 31, 2014 presentation to the RCAPW
regarding pricing and contract term concerns present in current local
commercial garbage contracts as well as potential solutions to commercial
recycling obstacles.**

*Explanation: At the RCAPW meeting on July 31st, staff was asked to engage the
stakeholders, haulers, and the business community for more information
and feedback on commercial hauling pricing, contractual obligations and
recycling. Staff conducted online and face-to-face surveys with local
businesses, and held meetings with the franchised haulers. The data
and comments have been compiled for staff to present to the Committee
for discussion and consideration.*

*Fiscal Note: There is no funding impact at this time. If funding needs to be identified
for this Strategic Initiative, a potential source would be the Solid Waste
Enterprise Fund.*

RECOMMENDATION

*The RCAPW Committee hear a presentation from
staff and provide guidance to staff as appropriate.*
