Dear Community Supporter,

Please help us celebrate our 10th anniversary!

It is hard to believe, but in March 2009 *Spotlight on Youth* will be entertaining the community for the tenth time. As you may know, *Spotlight on Youth* is a fundraiser for the Interface Youth Program shelters as well as for the many other community programs CDS Family & Behavioral Health Services supports. Through this event, over 100 of the area's most talented high school musicians, dancers, and visual artists will be selected to experience the complete creative process, including auditioning, rehearsing, and performing on a professional stage with the assistance of a professional backstage technical crew.

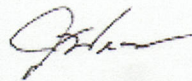

For three decades, CDS has provided a safe haven for youth in crisis through its Interface Youth shelters. Each year approximately 1,200 adolescents who are runaways, truant, ungovernable, or victims of domestic violence receive shelter and counseling in either the Gainesville, the Lake City, or the Palatka facility. **These sanctuaries are the only shelters for youth in crisis available in North Central Florida.** Thousands of young people and their families benefit in a very real and lasting way from the counseling services provided. The talented performers are helping their peers by participating in this event and we hope that you, too, will help make our anniversary special.

We ask you to please help your community by financially supporting CDS and the *Spotlight on Youth* event. Your involvement is instrumental in keeping CDS active in breaking the cycle of unhealthy family relationships. At CDS, our mission is "Strengthening Communities by Building Strong Families." Will you help us build a stronger community?

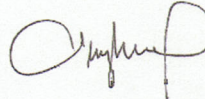

Please find enclosed further information about *Spotlight on Youth*, CDS Family & Behavioral Health Services, and its full range of programs. Also, feel free to contact me with any questions you might have or ideas regarding additional ways in which we can partner together to make this unique event truly memorable during this milestone year!

We thank you in advance for your support.

Sincerely,

Jim Pearce
