**Importance:** High

Good afternoon Shaneka,

Unfortunately Ms. Haddaway has declined her appointment to the Human Rights Board. During the board selection there was tie (between Mr. Davenport and Mr. Cain), in this case would Mr. Davenport be selected since he was next down the line? Please let us know.

Sincerely,  
Zanni

Hello,  
Thank you very much for considering me for this honor. I am actually graduating from the University of Florida in early May and therefore would like to respectfully step down from this position so someone else will be able to serve.

Thank you again!

Best,  
Jasmine Haddaway
