Can you do that. I would like to go ahead with the 2-5 pm for further budget discussions and 5pm for the public hearing if the calendars look okay.

Thanks, Becky

I think we should put this on a future agenda for approval.

Kurt,

Jeanna was just made aware that she has a conflict with the July 29<sup>th</sup> budget meeting. This is the meeting where we will be setting the tentative millage, so it is important that we have all members of the Commission in attendance if at all possible. Since GRU has a session on the 28<sup>th</sup> from 9am to 1pm, would we be able to just reconvene at 5:00pm for the Public Hearing. That would be one less day that the Commissioners have to travel to City Hall. In fact, we could even schedule 2pm-5pm to wrap up any loose ends for Gen Govt if needed and then have the public hearing at 5pm.

Since we don't have an item on tomorrow's agenda, would it be appropriate for Jeanna to bring it up during Commission Comment? Or would you rather add it to the next agenda? Is there anything else on their calendars that poses a problem for the 29<sup>th</sup> at 5pm?

Please let me know how you would like to handle this.

Thanks, Becky
